Date 9/15/89

From : Congressional Affairs Office JEC

Subject : PROPOSED MEETING WITH CONGRESSMAN JOHN ROWLAND (R-CT) MEMBER HOUSE PERMANENT SELECT COMMITTEE ON INTELLIGENCE (HPSCI)

House

PURPOSE: To advise of a tentatively scheduled meeting with Congressman ROWLAND and to seek the DIRECTOR's approval for the meeting.

DETAILS: On 8/10/89, Congressman ROWLAND, who was appointed to HPSCI in January, 1989, visited the New York Office to learn more of the FBI's effort in counterintelligence, counterterrorism, and drug enforcement. During that visit, legislative initiatives were discussed. There was not, however, sufficient time to discuss counterintelligence legislative proposals. Congressman ROWLAND thus asked the Congressional Affairs Office (CAO) representative if a follow-up meeting could be scheduled to discuss the FBI's counter-intelligence legislative needs in September, 1989.

A briefing has tentatively been scheduled for 9/20/89 at 11 a.m. in Room H405 - Capitol.

RECOMMENDATIONS: 1. That SSAs MONTE C. STRAIT and JOHN S. HOOKS, Jr., of CAO, brief Congressman ROWLAND on 9/20/89 at 11 a.m.

Memorandum from Mr. J. M. Sturgis
to Mr. W. O. Cregar
Re: Report on Allegations Appearing in
October 14 - 15, 1979, Editions of
The Chicago Sun-Times Newspaper

DETAILS:

On 1/3/80, SAs Emil Moschella, Legal Counsel Division, and Jim Sturgis, Intelligence Division, met with Thomas Lattemer, Staff Director, House Permanent Committee on Intelligence, at his request, regarding the recent FBI submission to the Committee of a review on analysis of the case captioned "Report on Allegations Appearing in the October 14, 15, 1979, Editions of the Chicago 'Sun-Times' Newspaper; Review of Pending Federal Bureau of Investigation (FBI) Double Agent Operations, October 1, 1977, to the President." It is noted that the Committee had taken testimony on the matter of this double agent on October 16, 1979, and the Committee made several requests for information in the area. (S)

Mr. Lattemer advised that it was the opinion of one of the members that a piece of requested information had not been directly addressed in our response and he therefore made a request for the specific item. Mr. Lattemer said that the item appears on pages 34 - 35 of the hearing transcript and that the requested analysis should compare all of the items passed by the double agent over the term of his operation with the information received by the FBI from the double agent so that one may be weighed against the other in a kind of "cost/benefit ratio." (S)

Mr. Lattemer requested that the analysis be in his hands prior to the first Committee meeting which is scheduled for 1/23/80. (C)

SUBJECT: JURISDICTION OF THE
HOUSE JUDICIARY COMMITTEE AND THE
HOUSE SELECT COMMITTEE ON INTELLIGENCE

PURPOSE:

The purpose of this memorandum is to advise you of the jurisdiction of the captioned Committees relative to the FBI.

DETAILS:

In connection with Assistant Director William O. Cregar's briefing of the Subcommittee on Civil and Constitutional Rights, House Judiciary Committee, you raised a question as to the need for such a briefing. In part, the need is based upon the jurisdiction of the Judiciary Committee of which the Subcommittee on Civil and Constitutional Rights is a part. Rule X, Rules of the House of Representatives (R.H.R.), 96th Congress (1978) deals with the establishment and jurisdiction of standing committees (portions applicable to the House Judiciary Committee attached). According to Rule X, cl 1, R.H.R., 96th Congress (1978),

> "There shall be in the House the following standing committees, each of which shall have the jurisdiction and related functions assigned to it by this clause and clauses 2, 3, and 4; and all bills, resolutions, and other matters relating to subjects within the jurisdiction of any standing committee as listed in this clause shall (in accordance with and subject to clause 5) be referred to such committees, as follows:"

Memorandum from Legal Counsel to the Director
Re: JURISDICTION OF THE
HOUSE JUDICIARY COMMITTEE AND THE
HOUSE SELECT COMMITTEE ON INTELLIGENCE

The specific areas of jurisdiction of the House Judiciary Committee applicable to this matter are set forth as follows at Rule X, cl 1(m), R.H.R., 96th Congress (1978) as follows:

"(3) Bankruptcy, mutiny, espionage and counterfeiting."

"(4) Civil liberties."

"(7) Immigration and naturalization."

"(19) Communist and other subversive activities affecting the internal security of the United States."

Rule X, cl 2(b)(1), R.H.R., 96th Congress (1978) mandates generally the oversight responsibilities for standing committees. Among these responsibilities is the responsibility for monitoring Federal agencies and entities within the committee's jurisdiction to insure that laws and programs are being implemented and carried out in accordance with the intent of Congress.

Rule XLVIII, R.H.R., 96th Congress (1978) (attached) establishes the Permanent Select Committee on Intelligence and sets forth the Committee's responsibilities. Rule XLVIII, cl 2(a) and 2(a)(2), R.H.R., 96th Congress (1978) sets forth the Committee's interest in matters relating to the Bureau as follows:

"2. (a) There shall be referred to the select committee all proposed legislation, messages, petitions, memorials, and other matters relating to the following:

(2) Intelligence and intelligence-related activites of all other departments and agencies of the Government, including, but not limited to, the intelligence and intelligence-related activities of the Defense Intelligence Agency, the National Security Agency, and other agencies of the Department of Defense; the Department of State; the Department of Justice; and the Department of the Treasury."

Rule XLVIII, cl 2(c) and 2(d), R.H.R., 96th Congress (1978) states as follows that that rule does not limit the authority of other committees to review intelligence matters within their jurisdiction:

"(c) Nothing in this rule shall be construed as prohibiting or otherwise restricting the authority of any other committee to study and review any intelligence or intelligence-related activity to the extent that such activity directly affects a matter otherwise within the jurisdiction of such committee.
(d) Nothing in the rule shall be construed as ammending, limiting, or otherwise changing the authority of any standing committee of the House to obtain full and prompt access to the product of the intelligence and intelligence-related activities of any department or agency of the Government relevant to a matter otherwise within the jurisidiction of such committee."

MEMORANDUM TO MESSRS. ADAMS
MC DERMOTT

Prior to the closed session meeting of the House Intelligence Committee at 3:30 p.m. this afternoon I advised the Attorney General that, as a result of the recent inspection of the New York Office, we had discovered that some wiretap records were not kept in accordance with regulations with the result that the indices may have been incomplete at the time that affidavits were submitted on the question of whether various individuals had or had not been overheard during such taps. I told him that our tentative assessment was that we would find very few additional names but that it would take considerable effort to nail it down.

This prompted the Attorney General to tell me that he understood Mr. LaPrade had testified or been interviewed on the Hill regarding his foreign counterintelligence concerns and at that time described a procedure which worried him. He stated that in making taps on Telex lines the company (RCA) would not cooperate and it was therefore necessary for the Special Agent to run tests on various lines until he found the Telex. Judge Bell drew the inference that the Agents necessarily had to overhear conversations or messages on other lines during this testing process. I understand from you that this may not be the case. We should ascertain exactly what the practice is and what the problems are.

DE-72 REC 27 1164 - 334

Please keep me advised on the indices problem.

FBI SEAL FOR HEARING ROOM
OF HOUSE SELECT COMMITTEE
ON INTELLIGENCE (HSCI);
LIAISON MATTER

The HSCI exercises oversight over the FBI and other members of the Intelligence Community (IC). Its hearing room is decorated with the seals of the other members of the IC. All are 15 inches in diameter. Available FBI seals are either 9 inches or 21 inches in diameter. In order to furnish a 15-inch wooden FBI seal to the HSCI, you are requested to determine whether a carved seal can be procured in the Philippines for $50 or less. If so, arrange to have one seal carved. You may loan the 21-inch seal in your office to the woodcarvers temporarily for this purpose.

If you are able to obtain the desired seal, forward it to the Intelligence Division, Attention CI-3 Section.
