Each item of CIA correspondence was carefully examined by WC attorneys and an agreement was reached w/ CIA as to what could be entered into public record & what should be w/held under rigid security controls. 3 criteria used to make the determ
a) evidential value of the ref.
b) protection of sensitive sources & methods of operation
c) possible litig ramifications since the bulk of the material was acquired on foreign soil, particularly in Mexico + USSR

"Our reps were instructed by me to cooperate fully w/ the Pres's Comm'n & to w/hold nothing from its scrutiny. DCI Material Vol 2

30 January 1978

Mr. Evans,

11111851

On 12 January we received a House Select Committee on Assassinations (HSCA) request for documents under a cover memo from OLC. OLC had assigned action to us on items #23, 30, 31, 34 and 35. In subsequent conversation w/ OLC I suggested that DDO be assigned the action on items 29, 30 and 34. OLC agreed.

Item #31 (Pat - assassination communication between former DCI Dulles and the CIA) is very broad semantic covers all correspondence for the period ~~1963 through end~~ 1969 ~~January~~. I briefly reviewed these files and found nothing that appeared to be of interest to the HSCA. They do not contain a file on the Warren Commission. The files do contain copies of correspondence between AWD and the Agency and therefore I have made a brief summary of the files and attached it at Tab A. I then did a search of ER index for material in Executive Registry files either received from AWD or addressed to him for the same period. Copies of extracts of the material are included in Tab A.

On item #35 (Pat - Dulles' DCI/Mr. Cox' appearance before the Warren Commission) I reviewed the file

I received the phrase list on the Dulles file from Pat Hedden. Do not have the actual identified Dulles files for January 1969 period.

list on the McCone files in ER covering and then recalled individual files which fell into the 1963-1964 period. The McCone files do not contain a file on the Warren Comm'n. I did not find any material concerning preparation for DCI McCone's appearance before the Comm'n. I did find a transcript of a 12 May 1964 telephone conversation between DCI/McCone & Mr. Rankin, General Counsel for the Committee on Assassination asking the DCI to appear before the Committee the following week. A copy is attached at Tab B. Also at Tab B are two miscellaneous memorandums which might be of interest. I am told ... that OGC handled the Agency contact w/ the Comm'n so they would probably be the best bet.

I have also reviewed the Executive Registry files on the Warren Comm'n and on the Harrison investigation. They contain nothing on the preparation of the DCI for his appearance before the Commission. However, they are available in ER if you wish to see them.

Believe all real estate around Ruby's including all 3 base houses would get very close attention & possibly some harassment

If photo published station wants to freeburn basehouse operators for hostile reactions, will clear all 3 affected bases of all ticker equipment for indefinite period just prior to public.

above quote has unclear reference to ~~Fbs~~ which man is photographed. Handwritten above, who is this man?

~~[illegible]~~ one time became very emotional saying he was misunderstood, really wants to remain in US.

Nosenko was questioned on:

1) why KGB did not do certain things such as run an investigation on LHO, check into his marine experience etc

2) why he had said at one time that LHO was a poor shot and on another occasion said he was a good marksman

3) on administrative & extent to which serves a KGB cover, KGB emergency war plans, & extent to which these plans were activated during Cuban missile crisis

4) processing of LHO visa (said was done in normal manner & that KGB had copy of visa application. Said Russian Embassies since 1960 have authority to issue visas in 3 to 5 days after application. Said LHO applied really & late in writing for Sov citizenship. Copy of written request went to KGB. Copy of it was sent to Supreme Soviet after LHO studied his writings. 5) Marina Oswald – KGB had info in Minsk only after she announced her intention to marry LHO. A record check [by KGB] showed she was not in Young Communist League because she did not pay her dues. After married LHO her pay was increased to impress the foreigner she married

6) besides Kruzhoff + Nosenko, Dubas + Mudkov were the Moscow KGB agents who knew of LHO case prior to assass. Dept Chief, Gomikov, + 5 other KGB case officers knew of the case after the assass.

7) Some of the Intourist people LHO dealt with were KGB people

8) LHO's case was not the same as other Americans in Russia because he was considered not insane + was not considered a defector as were Martin + Mitchell
