Foreign Secretary Gorostiza today informed DCM Boonstra to say that GOM, after reviewing all documents concerning Lee Harvey Oswald which it had furnished to us, had decided great reservations for publication of all of them in their entirety. This includes route of Oswald's [illegible] ([illegible]). Foreign Secretary said that were publishing [illegible] in particular. Nothing will [illegible] to the Department of [illegible] make this [illegible].
