Astronaut hanging out in space

Don't leave us hanging! Help complete unfinished transcriptions

On our Citizen Archivist Dashboard we have a transcription mission called Don't Leave Us Hanging! The purpose of this mission is to point out records in the National Archives Catalog with incomplete transcriptions - and appeal to citizen archivists to pitch in and help complete them.

Why don't you jump in and help out another citizen archivist? With your help we will have more items with complete transcripts. Come on, [Don't Leave Us Hanging!](#)

New and interesting records in the Catalog

Within each newsletter, we will highlight records that are newly available in the Catalog.
