Follow Up Questions Re FBI San Diego Paper Dated 26 June 2003

Where did Hazmi and Mihdhar stay for approximately two weeks (after arriving in the United States on 15 January 2000 from Bangkok) before meeting Bayoumi and moving to San Diego?

Did the initial encounter between Hazmi, Mihdhar, and Bayoumi in Los Angeles occur on 1 February 2000 (as stated in the 26 June 2003 San Diego paper) or 26 January 2000 (as stated in the 29 May 2003 San Diego paper)?

Why does the FBI now believe that the individual with whom Bayoumi met at the Saudi consulate in Los Angeles was Thumairy?

Is there any information that Bayoumi had any contact with Thumairy prior to February 2000? Is it the position of the FBI that this was the first time the two men had ever been in contact?

Is there any information to suggest that Hazmi or Mihdhar ever met with Thumairy at the King Fahd Mosque or elsewhere?

What information led to Thumairy being PNG'd?

If, according to an FBI Asset, al-Bayoumi said he was traveling to Los Angeles to pick up someone coming into the country – and he was not referring to Hamzi or Mihdhar – who was he supposed to pick up and why did he not return to San Diego with anybody? Does the FBI consider the Asset's account of this conversation with Bayoumi credible?

Is there any further information regarding Bayoumi's trip to Culver City one week before Hazmi and Mihdhar arrived (9 January 2000)? With whom did he meet? Did he visit the King Fahd Mosque? How long did he stay? Any theory on the purpose for this trip?

How did Hazmi and Mihdhar travel to San Diego?

What evidence is there to support the conclusion that Hazmi and Mihdhar entered the United States with the \$9900 initially deposited into the bank account that Bayoumi helped them arrange (other than the inference that some of the money that was given to Khallad in Bangkok from Nibrass and Quso was passed on to them)?

Who attended the welcome/housewarming party that Bayoumi allegedly hosted for Hazmi and Mihdhar at their apartment?

Is there any explanation for the marked increase in Bayoumi's "other allowances" stipend from April 2000 through August 2001? Even if this time period does not correlate with the time frame when both Hazmi and Mihdhar lived in San Diego (or even when Hazmi lived relatively close by in Arizona), could this money be supplemental pay for Bayoumi

~~SECRET/FISA/NOFORN/ORCON/X1~~

for helping the hijackers until the attacks on 9/11 rather than direct financial support for Hazmi and Mihdhar?

Does the record evidence of deposits into Bayoumi's San Diego bank accounts preclude the possibility that he received four wire transfers on or about 15 January 2000 (as were reported by Scotland Yard) in cash (in other words, has the FBI concluded that the \$10k, \$15k, \$2k, and \$10k transfers were never even made from Bayoumi's Bank of America in Saudi Arabia, or merely that no such transfers were received in Bayoumi's San Diego accounts)?

Was Osama Basnan an employee of the Saudi Arabian Educational Mission in Washington, DC?

Is Abdullah still in INS detention awaiting deportation to Yemen?

On which individuals allegedly involved with fundraising for al-Qaeda did Muppet report prior to 9/11?

Who were the two other individuals who rented rooms from Muppet at the same time that Hazmi and Mihdhar lived with him? Did those individuals have any contact with Hazmi and Mihdhar?

Did Muppet charge Mihdhar \$300 for the eight days that he allegedly stayed in the house (June 2 to June 10)? Why would Mihdhar pay a full month's rent knowing he was going to leave the country in a week? Does this relate to the uncertainty surrounding the move-in date (i.e. maybe Mihdhar and Hazmi kept the Parkwood apartment until 2 June 2000 but also rented Muppet's room as early as May 10 – one month before Mihdhar left for Yemen; note also that Hazmi left on 10 December 2000, and thus it would make sense if the monthly rent was due on the tenth of each month)?

How did Hazmi have Muppet's address on his notice to vacate the Parkwood apartment on 13 February 2000 and Mihdhar use the same address for his change of address on his bank account on 19 April 2000? Did they meet Muppet earlier than late spring, when they moved in? Did Bayoumi provide it to them?

Is there any evidence of contact between Bayoumi and Muppet at any point?

Was Mihdhar's bank account statement for the period 25 March 2000 to 21 April 2000 mailed to Muppet's house after Mihdhar changed the address on 19 April 2000? If so, how did Mihdhar get it?

Any further information about how and when Muppet first met Hazmi and Mihdhar?

Why was Hazmi seeking a Mexican-American bride? Immigration purposes?

~~SECRET/FISA/NOFORN/ORCON/X1~~

~~SECRET~~/FISA/NOFORN/ORCON/X1

The FBI states that Muppet has “never equivocated on the operative facts,” but what about his credibility with respect to how and when he met Hazmi and Mihdhar; when Hazmi and Mihdhar lived with him; whether he knew about their flight lessons in San Diego; whether he ever met Hani Hanjour?

Where did Hanjour stay on 8-9 December 2000 after arriving in San Diego but before departing to Arizona with Hazmi?

If the individual who arrived at Muppet’s house on 10 December 2000 to pick up Hazmi was not Hanjour, who was it?
