PREFACE

This report analyzes all evidence on the organization, deployment patterns and command and control structure for nuclear weapons support of the Soviet General Purpose Forces. These forces include tactical aviation, tactical missile, naval air, and naval ship units. [REDACTED]

[REDACTED] This study was prepared by personnel of the Defense Intelligence Agency.

Withheld from public release by
Defense Intelligence Agency
under statutory authority
of the Department of Defense,
10 USC § 424

vi

~~TOP SECRET~~ [REDACTED]

SUMMARY AND CONCLUSIONS

1. [REDACTED] The focal point for the command and control of nuclear weapons for the Soviet General Purpose Forces is the Minister of Defense, who implements the decisions of the Presidium of the Communist Party and of the State Defense Council. Military organizations, such as the Chief Missile-Artillery Directorate, probably control the nuclear weapons storage sites for the forces they support, and have the responsibility for transporting weapons to the using units. [REDACTED]

[REDACTED] E.O. 13526, section 3.3(b)(1)

[REDACTED] During combat situations, the front commander has the authority to determine how the nuclear weapons allocated to his front will be employed within the guidelines approved by his superiors in Moscow.

SECTION I

SOVIET NUCLEAR WEAPONS ORGANIZATION

A. General

[REDACTED] The nuclear weapon storage and logistic system in the Soviet Union has been under development since the mid 1950s. Extensive security measures, against both the Soviet populace and foreign intelligence efforts, have been successful in maintaining a veil of secrecy around most aspects of this activity.

[REDACTED]
E.O. 13526, section 3.3(b)(1)

B. Command and Control

1. [REDACTED] The Presidium of the Central Committee, CPSU, is the basic authority for decisions on deployment and use of nuclear weapons by Soviet military forces.

[REDACTED]
E.O. 13526, section 3.3(b)(1)

2. [REDACTED] The Minister of Defense implements the decisions of the Presidium and the State Defense Council on the deployment and use of nuclear weapons.

[REDACTED]
E.O. 13526, section 3.3(b)(1)

Withheld from public release by
Defense Intelligence Agency
under statutory authority
of the Department of Defense,
10 USC § 424

~~TOP SECRET~~ [REDACTED] [REDACTED]

~~TOP SECRET~~ [REDACTED]

3. [REDACTED] At the beginning of a conflict the front commander probably would receive authorization from the Minister of Defense to commence nuclear operations within approved guidelines.

E.O. 13526, section 3.3(b)(1)

SECTION II

SOVIET NUCLEAR WEAPONS STORAGE SITES

E.O. 13526, section 3.3(b)(1)

A. General

1. (S) There are [REDACTED] categories of Soviet installations associated with nuclear weapon storage. [REDACTED]

[REDACTED] The [REDACTED] sites [REDACTED] store and maintain both tactical and strategic nuclear weapons for war reserve. Those discussed in this study are the operational storage facilities [REDACTED] which store those nuclear weapons directly supporting the Soviet and East European units equipped with nuclear weapons delivery systems.
