**NATO INFRASTRUCTURE PROGRAM DOCUMENTATION (T86-4)  
(Applicable to Headquarters United States  
Air Forces in Europe)**

**1**

Attached proposed new table covering the disposition of NATO Infrastructure documentation is for your review and approval.

It applies to the Headquarters of the United States Air Forces in Europe only, because it is the only place where the documentation is created and kept. The record copies are kept on the individual NATO installations after they are built, approved, and accepted.

Above disposition criteria will adequately serve Air Force requirements.
