· ·	BACKGROUND: This office, in coordination with the Army Finance & Accounting Center, has recently completed a four-year, in-depth study to reconcile all Army financial regulations with Appendix D - Finance & Fiscal Functional Files - AR 340-18 - The Army Functional Files System - TAFFS. Together we have identified several areas of recordkeeping which may not have been previously scheduled in our files structure. We have also consolidated several related files from those presently in use Army-wide.				
	One of the actions that has been taken herewith is to lower the retention of the "duplicate (memorandum) copies of disbursement vouchers" from a three (3) year retention to a one (1) year retention period. This record in maintained by Finance & Accounting Officers worldwide. It has infrequent use after a one year period. The original copy is maintained at USAFAC for 6 years, 3 months. This is a deviation from GRS 6-1b. See letter from the Assistant Comptroller of the Army to Director, Accounting and Financial Management Division, General Accounting Office, attached hereto.
