INTERNAL REVIEW AND AUDIT FILES (formerly INTERNAL REVIEW FILES) - FN 11-7a, AR 11-7, Internal Review

Background:

a. Internal Review and Audit Compliance (IRAC) offices perform both audits and internal reviews which require a follow-up process to ensure recommendations are implemented. This follow-up process may take several months or years to complete. All pertinent files relating to the original and subsequent audit/reviews must be accessible until the follow-up process is completed. The proposed disposition and name change will enable all DA IRAC offices to retain necessary files until audit process is complete and to destroy the appropriate files in the current files area.

b. MARKS does not indicate an approved disposition for this FN although NN-166-204, NC-AU-75-19 (Micrographics), AR 345-210 C1, (Auditing Services Files), and GRS 6-5b were periodically considered applicable.
