1.	<p>LOCATOR CARD FILES (FN 305-07, AR 340-18-3.) Cards prepared for each person on whom a military pay record or financial data record folder is received or initially opened. These cards are used for locator purposes and as receipts for military pay records placed in custody of the person to whom they pertain.</p> <p><u>Disposition:</u> Destroy 6 months after person is transferred from the paying jurisdiction.</p> <p><u>Background:</u> The present description/disposition for these files is: "Pay record index card files/Destroy 1 year after person is transferred from the paying jurisdiction." This request is a change in title description (description of documents contained in this file has not been changed) and disposition standards -- justifications: "Pay Record Index Card Files" should be changed to "Locator Card Files" since some field stations have been authorized to use locator listings produced by the Joint Uniform Military Pay System - Automated Supplemental System (JUMPS-JASS). The disposition of the locator cards (listings) should be changed to 6 months since the JUMPS-Army system can provide locator service to the field station by input of locator cards to the master military pay file. The turn around time is only 2 or 3 days which assures adequate locator capability.</p> <p>GAO concurrence attached.</p>
