	<p style="text-align: center;">Classification 286</p> <p style="text-align: center;">Civil Rights, Freedom of Access to Clinic Entrance (FACE) Act Violations</p> <p>The FBI is the primary agency responsible for investigating all allegations regarding violations of Federal civil rights laws. These laws are designed to protect the civil rights of all citizens and persons within the United States' territory. The program is divided into four subprograms that include Hate Crimes, Color of Law, Human Trafficking, and Freedom of Access to Clinic Entrances (FACE).</p> <p>The 1994 Freedom of Access to Clinic Entrances (FACE) Act makes it a federal crime to injure, intimidate, or interfere with those seeking to obtain or provide reproductive health care services. That includes not just murder, assault, arson, and property damage, but also death threats, burglaries, harassing phone calls, hate mail, and blockades. In recent years, there has been a rise in bio-terrorism threats (especially hoax anthrax letters) directed at reproductive health care providers.</p> <p>Notes</p> <ul style="list-style-type: none"> • This schedule provides disposition instructions for Classification 286 case files, which are included in both the NC1-065-82-4 and the N1-065-04-4 schedules <p style="padding-left: 20px;">Pre-Universal Case File Number (UCFN) [NC1-065-82-4, Item 286], PART B and PART D.
