The Department selected the Lines of Business applicable to its mission and operations, which were then divided among the categories of policy, mission, legal, and administrative buckets. Each bureau was asked to map their existing records retention schedules to the Department's Lines of Business, which are listed below. The crosswalks showing updates to this schedule is attached.

This schedule is for policy and includes the following Lines of Business:

- Controls and Oversight
- Judicial and Legislative Affairs
- Public Affairs
- Regulatory Development
- Policy-Related Special Media

This change to a departmental schedule, from individual bureau schedules, moves disposition authority for Record Groups 022 (FWS), 049 (BLM), 057 (USGS), 075 (BIA), 079 (NPS), 115 (BOR), 471 (OSMRE), 473 (BSEE), and 589 (BOEM) to 048. All Federal Records Center (FRC), Annual Move, and Direct Offer interactions with the National Archives and Records Administration (NARA) will continue to be broken out according to the assigned Record Group number for the creating agency. The underlying authority for each interaction will be the approved DRS authority established by this schedule.

This disposal authority applies retroactively to active and inactive records located on site at DOI facilities (including central, regional, and field offices). For inactive agency records located in off-site storage (e.g., Federal Records Centers, third party vendors), this disposal authority applies on a "day-forward" basis from the date of schedule approval and does not require retroactive changes to existing accessions. Exception: Records under RG 075 as well as the record groups for other DOI trust bureaus that were previously scheduled as Permanent with an undefined retention period, including all such records at the American Indian Records Repository, must have this disposal authority applied retroactively in order to facilitate proper retirement of records.

High-Level Officials:

Throughout this schedule, the term “High-Level Official” is used to refer to officials whose records are deemed to merit permanent retention based on the nature of the position itself. Officials are identified under this label because of their role in determining bureau/DOI policy and major decisions regarding the accomplishment of mission objectives. They may also be authorized to represent the bureau, DOI, or the Federal government to external national or international activities and parties.

Officials acting in the role of a High-Level Official are considered to be a High-Level Official for the period of time in which they are acting in that role and their records will be retained accordingly.

The current list of High-Level Officials includes:

Secretary of the Interior
Deputy Secretary
Assistant Secretaries
Deputy Assistant Secretaries
Principal Deputy Assistant Secretaries
Secretary’s Chief of Staff
Bureau Chiefs of Staff (as designated by each bureau)
Deputy Chiefs of Staff
Senior Advisors
Counselors
Solicitor
Inspector General
Chief Information Officer
Special Trustee for American Indians

Heads of bureaus and major components of DOI and key supporting staff responsible for independently making major decisions (as described above) during their regular duties.

DOI maintains a current list of all High-Level Officials based on the above criteria, referenced and appended to the Designation of High-Level Officials Standard Operating Policies and Procedures.

Commissions:

Throughout this schedule, the term "Commission" is used to refer to all types of boards, councils, committees, commissions, and other groups.

Automation:

As part of DOI's comprehensive records management program, DOI implemented electronic records management systems with the objective of providing DOI with a cohesive integrated records and information governance platform, which directly supports NARA's required transition to electronic records. These solutions are designed to support and manage DOI records, including email, documents, and related content, independently. Migrating DOI to the Departmental Records Schedule (DRS) described above will enable a smoother transition to full electronic records management.

Schedule 3 - Policy Records

This schedule establishes the disposition authority for records created to document the overall management of the Department and its Bureaus and Program Offices. Included are regulations, program implementation and management, policy and guidance files from all senior executive offices in the Department, reports and regulatory compliance when an office is representing a Bureau or the Department as a whole, activities of executive commissions or committees, and high-level interaction with the Legislative and Judiciary branches.

Routine management reviews and lower-level program management/administration should remain in Schedule 1 (Administrative). Regulatory compliance, investigations, litigation case files, and audits should use Schedule 4 (Legal, Regulatory Compliance, and Enforcement).
