	GAO Approval	Not Required	d
2.2	Referral Review Process: VA	Transplant C	Center
	Disposition Authority Number	DAA-0015-2	016-0006-0003
	1. After referral is submitted in TRACER, the VA transplant center of choice receives an email notification of the referral. 3. The VA transplant centers reviews the referral in TRACER and the VACO Transplant Referral Progress Note in CPRS using VistA Web 3. The VA transplant center enters a decision (regarding the Veteran's eligibility for further transplant evaluation) into TRACER a. VATC referral decisions are expected within 5 business days for stable patients, 48 hours for emergency patients After the VATC enters the decision, the referral submitter and members of the Referring Center Notification Group receive an emain notification with link to the referral decision and next steps. TRACER also enables VA medical centers to re-submit referrals, request a second opinion by a different VA transplant center, and submit an "Appeal" to the Transplant Surgical Advisory Board. TRACER enables VA transplant centers to electronically transfer patients from one transplant center to another.
