

FEDERAL ENTITY CEASED OPERATIONS

Schedule Number: N1-220-95-004

Federal entities may cease operations when they are established as a temporary entity, are abolished, or functions are transferred to state or local government or private control.

Description:

The Office of the U.S. Nuclear Waste Negotiator was created as an independent Federal agency pursuant to the act of December 22, 1987 (101 Stat. 1330-243), as amended by the act of October 18, 1988 (102 Stat. 2541), which were both amendments to the Nuclear Waste Policy Act of 1982 (96 Stat. 2201), approved January 7, 1983. The Office was originally authorized by Congress to exist for 30 days past five years following the enactment of the 1987 amendments and was extended to 30 days past seven years through an act of October 24, 1992 (106 Stat. 2923). On January 21, 1995, the Negotiator suspended the mission of the Office pending resolution of their legal operating authority as Congress had appropriated funding for the full fiscal year. The Office did not reopen and their mission was unfulfilled.
