Dear Ms. Roberts:

Thank you for your letter dated November 26, 2019, regarding a potential loss of the Department of the Interior (DOI), Office of the Special Trustee for American Indians (OST) records. Your letter reported that on November 20, 2019, OST discovered that the Assistant Secretary of Indian Affairs possessed a collection of approximately 600 cubic feet of documents. It was later discovered that approximately 520 of the approximate 600 cubic feet of incoming and outgoing correspondence including letters, memoranda and/or manuals were destroyed because they were identified as duplicate documents.

You also stated that OST expects to complete a full report in accordance with 36 CFR 1230 within 120 days of the date of your letter. We look forward to receiving your report by February 27, 2020.

Sincerely,

LAURENCE BREWER
