Series Title: Inspection Case Files, Fatalities/Catastrophes

Series Description: This series consists of safety inspection case files created by the regional office in Anchorage, Alaska. These case files deal solely with fatalities and/or catastrophes or accidents that took place within the Anchorage Area Office's jurisdiction. A typical case file includes the name of the business where the fatality or catastrophe took occurred, case file number, type of inspection, number of fatalities involved, the specific regulation(s) that were violated, and a brief synopsis of how the fatality or catastrophe occurred.

General Notes: None
