Series Titles: Federal Field Committee for Development Planning in Alaska, 10/02/1964 -
07/19/1971

Series Description: This series consists of 11 boxes of correspondence, plans, budgets, reports, and meeting minutes. There are reports on disbursement of funds; reviews of contract documents; and feasibility and cost studies for the economic development plans for towns and villages in Alaska. There are background narratives of towns and villages, as well as correspondence about, and a report on, the President's Review Committee for Development Planning in Alaska (November 1967). Of particular interest are an annual report, audit and summary reports, and correspondence documenting Federal participation in the Alaska Purchase Centennial celebration, 1967

General Notes: Boxes 6 and 7 of the Project Case Files are in a split location.
