

**RG 70**  
**Records of the Bureau of Mines**  
**RW-AN-70-00-16**

**Extent:** 17 linear feet, 6 linear inches

**Inclusive dates:** 1880 - 1969

**Count:** 40 LGA-S

**Location:** 08/11/01-08/11/07

**ARC:** 6883299

**Media Type:** Textual, cartographic

**Access Restrictions:** Partly

**Use Restrictions:** None

**Copy Status:** Research, Use and Preservation

**Series Title:** Production and Development of Mines

**General Notes:** Boxes 24, 26, 27, 29, 30 – 40 are restricted for proprietary data.

**Series Description:** This series consists of materials generated during lode and placer operations. These materials include time books, memoranda, correspondence, schedules, historical tables and reports.

**Box and folder list:**
