MEMORANDUM FOR: ZBIGNIEW BRZEZINSKI  
FROM: THOMAS THORNTON  
SUBJECT: Argentina -- PRC Follow-up (C)

Attached is a potential weekly report item, in case you want to get something in to the President quickly per the comment on my last memo to you. I don't see that it is worth the effort at this time, however, and suggest that we wait until the IG holds its meeting. I will put a report together on that. (C)

RECOMMENDATION:

That you not use the attached Weekly Report item. (U)

Weekly Report Item

Argentina: Following on the PRC meeting on Argentina, there will be a meeting of an Interagency Group next week to develop specific courses of action flowing from the PRC recommendations. In the first instance, military contacts will be examined; this is one area where we can move somewhat more rapidly as you have directed. (S)

Re the attached, thank you for the compliment. If the report was vacuous, then I have successfully captured the essence of a quite vacuous meeting. If you would like to plumb the depths of its vacuity, I will be glad to send you the detailed minutes -- but I suggest you take my word for it, or else check with David or Henry, both of whom manfully stayed awake for large parts of the meeting. (C)

Specific steps? None at all. These are to be worked on by an Interagency Group that was set up by the PRC. This, of course, is where the action should have been all along. There was just not any scope for a PRC on this subject at this time but I didn't feel able to turn it off for a second time in light of the President's and State's interest. (C)

I will keep tabs on the Interdepartmental Group, but don't expect much until next winter, given the PRC recommendations to hold fast until then. (C)
