I don't see that it is worth the effort at this time, however, and suggest that we wait until the IG holds its meeting. I will put a report together on that. (C)

Weekly Report Item

Argentina: Following on the PRC meeting on Argentina, there will be a meeting of an Interagency Group next week to develop specific courses of action flowing from the PRC recommendations. In the first instance, military contacts will be examined; this is one area where we can move somewhat more rapidly as you have directed. (S)
