Dear Mr. Walker,

I am very thankful about yesterday in the National Archives, all the speeches were great. Specially Lianna Williams' music, it was great and you were great too. All the document look real, but I know some of them are fake. Anyway it was great to see all of those become citizen. Now I know how my grandfather became a citizen.

Dear Mr. Walker,

Thanks for inviting  
me to the archives. I liked  
all the old documents. I  
would like to see all the  
other old documents you have

Do you have any documents from  
World War 1 or 2? If you
