

2014 VIRTUAL GENEALOGY FAIR

Discovering Your Family's Past in Military and Early Veterans Administration Personal Data Records and Selective Service Records

Military personal data records contain a wealth of information about America's veterans. Records series that we will discuss include Burial Case Files, Chaplains' Files, Army Courts Martial Case Files, and Veterans Administration WWI Claim Files.

Selective Service Records hold valuable genealogical data, such as dates of birth, address of residency, family members names, and place of birth. We will discuss the World War II and post-World War II Selective Service records in our custody.
