

NARA Competency Model

AFN-C - Civilian Personnel Records

Lead Digital Imaging Technician GS-05

Note: Competencies noted as "Not for selection" were rated as important to the job, but not required on entry and thus not to be used for screening candidates.

Core Competencies

Problem Solving (Thinks Analytically)

Seeks, examines, and interprets information from different sources to determine a problem's cause and develop a course of action for problem resolution. Analyzes information, develops and evaluates multiple solutions to a question or problem, and selects the most appropriate solution for the situation. Recommends innovative approaches to improve processes and results.

Interpersonal Skills (Collaborates Across Boundaries)

Works cooperatively with others across functions and geographic locations to achieve team and organizational goals. Builds and maintains strong relationships with others both internal and external to the organization. Seeks out and integrates diverse views and perspectives to enhance work quality and results.

Execution and Results (Takes Accountability for Results)

Takes ownership and accountability to ensure that work is completed accurately, efficiently, and in a timely manner, even when faced with multiple priorities. Identifies and uses the resources, tools, and information needed to achieve goals and objectives. Demonstrates flexibility, persistence, commitment, and initiative to resolve obstacles and respond to changing priorities.

Customer Service (Provides Customer Service)

Actively looks for ways to help internal and/or external customers locate information or resolve problems and issues. Gives full attention to what other people are saying, taking time to understand the points being made, asking questions as appropriate, and following up to ensure customer satisfaction. Provides information and resources to fulfill customer obligations and resolve customer complaints.

Communication (Communicates Openly)

Communicates opinions, facts, and thoughts with clarity, transparency, and honesty. Seeks diverse perspectives and listens openly to others' points of views. Demonstrates the courage to speak up on issues and risks as well as present good news. Researches information for and prepares documents and presentations that effectively convey relevant information.

Organizational Awareness (Demonstrates Organizational Awareness) (Not for selection)

Demonstrates behaviors and actions that are aligned with the agency's mission and function, applying programs, policies, procedures, rules, and regulations to work activities. Places a high priority and focus on supporting NARA's mission and achieving agency goals. Considers the potential impact of external factors (for example, changes in legislation) on the needs and objectives of one's department and the agency as a whole.

General Competencies

Influences/Negotiates with Others

Promotes ideas and proposals persuasively. Shapes others' opinions, convinces or persuades others, and gains support through own actions/examples or persuasion in an ethical manner. Achieves mutually satisfying agreements in negotiations with others by listening to different objectives, effectively communicating own objectives, and seeking common ground and collaborative situations.

Leads Teams

Leads teams of diverse individuals that can work collaboratively to achieve business objectives, openly communicates, discusses, and works through team objectives, and promotes shared accountability for individual and team performance. Promotes coordination and teamwork, leverages team members' strengths and weaknesses, and takes steps to optimize team performance. Celebrates team successes, evaluates setbacks, and implements processes and approaches to continually improve performance and results.

Utilizes Computer Technology

Utilizes computer technology and software applications (e.g., word processing, spreadsheets, databases, web-based tools) to perform work activities. Applies technologies and/or tools to improve work, productivity, or customer service.

Technical Competencies

Uses Standardized Forms / Documents

Identifies standardized forms/documents and forms according to an established taxonomy. Understands and works with standardized certificates, forms, or similar documents to extract information relevant to a given task and uses the forms/ documents to provide information to others.
