

NARA Competency Model

F - Office of the Federal Register

Technical Writer-Editor GS-07

Note: Competencies noted as "Not for selection" were rated as important to the job, but not required on entry and thus not to be used for screening candidates.

Core Competencies

Problem Solving (Thinks Analytically)

Seeks, examines, and interprets information from different sources to determine a problem's cause and develop a course of action for problem resolution. Analyzes information, develops and evaluates multiple solutions to a question or problem, and selects the most appropriate solution for the situation. Recommends innovative approaches to improve processes and results.

Interpersonal Skills (Collaborates Across Boundaries)

Works cooperatively with others across functions and geographic locations to achieve team and organizational goals. Builds and maintains strong relationships with others both internal and external to the organization. Seeks out and integrates diverse views and perspectives to enhance work quality and results.

Execution and Results (Takes Accountability for Results)

Takes ownership and accountability to ensure that work is completed accurately, efficiently, and in a timely manner, even when faced with multiple priorities. Identifies and uses the resources, tools, and information needed to achieve goals and objectives. Demonstrates flexibility, persistence, commitment, and initiative to resolve obstacles and respond to changing priorities.

Customer Service (Provides Customer Service)

Actively looks for ways to help internal and/or external customers locate information or resolve problems and issues. Gives full attention to what other people are saying, taking time to understand the points being made, asking questions as appropriate, and following up to ensure customer satisfaction. Provides information and resources to fulfill customer obligations and resolve customer complaints.

Communication (Communicates Openly)

Communicates opinions, facts, and thoughts with clarity, transparency, and honesty. Seeks diverse perspectives and listens openly to others' points of views. Demonstrates the courage to speak up on issues and risks as well as present good news. Researches information for and prepares documents and presentations that effectively convey relevant information.

General Competencies

Utilizes Computer Technology

Utilizes computer technology and software applications (e.g., word processing, spreadsheets, databases, web-based tools) to perform work activities. Applies technologies and/or tools to improve work, productivity, or customer service.

Technical Competencies

Document Analysis

The ability to understand and describe the documents handled in Office of the Federal Register programs. This includes the context in which the documents were created, the purpose to which they were created, their structure, the factors determining their structure, their predecessor documents, and follow-on documents.

Document & Publication Editing, Formatting

Ability to properly edit the contents of documents and of Federal Register publications to ensure their legally effective, timely, and accurate publication.

Using Technical Resources for Federal Register Publications

Ability to understand and properly use the specialized technical resources and processes associated with Federal Register publications. For example, working with the US Government Printing Office (GPO) and the production processes of Federal Register publications.
