

NARA Competency Model

F - Office of the Federal Register

Technical Writer-Editor GS-09

Note: Competencies noted as "Not for selection" were rated as important to the job, but not required on entry and thus not to be used for screening candidates.

Core Competencies

Problem Solving (Thinks Creatively)

Determines the critical issues, gathers and analyzes information from multiple sources, and targets the root cause of problems. Generates creative solutions based on a consideration of their impact and implications. Develops and implements new ideas and ways of thinking to promote efficiency, effectiveness, and productivity.

Interpersonal Skills (Builds Relationships)

Develops and maintains professional, trusting, positive working relationships with others at all levels internal and external to the organization. Initiates communication and partnerships across boundaries, working effectively with diverse teams to drive collective results and advance organizational priorities. Fosters relationships where collaboration is considered the standard and individuals are encouraged to share diverse views and perspectives.

Execution and Results (Achieves Results)

Plans and organizes time to work productively and efficiently and maximize the quality and quantity of work. Ensures individual priorities and goals are aligned with team, manager, and agency plans and needs, and increases or redirects efforts in the face of challenging obstacles, changing priorities, or increasing demands. Seeks out and utilizes resources, tools, and information to ensure the accomplishment of expected results.

Customer Service (Promotes Customer Satisfaction)

Ensures internal and/or external customers receive the level of service that builds their trust and confidence, even in difficult or complex situations. Develops and implements plans to meet customer needs and expectations, removes barriers to delivering customer service and support, and takes the initiative to improve processes based on customer feedback. Maintains a client focus, establishes rapport with customers, and takes action to ensure their satisfaction.

Communication (Targets Communication)

Conveys information to others clearly and respectfully. Tailors the amount, style, and content of messages to the needs of the audience and handles and resolves questions and contrary opinions in a positive and constructive manner. Employs active listening techniques to show others that their opinions are valued and provides feedback that is comprehensive and actionable. Prepares documents and presentations that are cogent, accurate, and well organized.

General Competencies

Utilizes Computer Technology

Utilizes computer technology and software applications (e.g., word processing, spreadsheets, databases, web-based tools) to perform work activities. Applies technologies and/or tools to improve work, productivity, or customer service.

Technical Competencies

Document Analysis

The ability to understand and describe the documents handled in Office of the Federal Register programs. This includes the context in which the documents were created, the purpose to which they were created, their structure, the factors determining their structure, their predecessor documents, and follow-on documents.

Document & Publication Editing, Formatting

Ability to properly edit the contents of documents and of Federal Register publications to ensure their legally effective, timely, and accurate publication.

Using Technical Resources for Federal Register Publications

Ability to understand and properly use the specialized technical resources and processes associated with Federal Register publications. For example, working with the US Government Printing Office (GPO) and the production processes of Federal Register publications.
