

# NARA Competency Model

LP - Office Of Presidential Libraries

Archivist GS-09

*Note: Competencies noted as "Not for selection" were rated as important to the job, but not required on entry and thus not to be used for screening candidates.*

## Core Competencies

### **Problem Solving (Thinks Creatively)**

Determines the critical issues, gathers and analyzes information from multiple sources, and targets the root cause of problems. Generates creative solutions based on a consideration of their impact and implications. Develops and implements new ideas and ways of thinking to promote efficiency, effectiveness, and productivity.

### **Interpersonal Skills (Builds Relationships)**

Develops and maintains professional, trusting, positive working relationships with others at all levels internal and external to the organization. Initiates communication and partnerships across boundaries, working effectively with diverse teams to drive collective results and advance organizational priorities. Fosters relationships where collaboration is considered the standard and individuals are encouraged to share diverse views and perspectives.

### **Execution and Results (Achieves Results)**

Plans and organizes time to work productively and efficiently and maximize the quality and quantity of work. Ensures individual priorities and goals are aligned with team, manager, and agency plans and needs, and increases or redirects efforts in the face of challenging obstacles, changing priorities, or increasing demands. Seeks out and utilizes resources, tools, and information to ensure the accomplishment of expected results.

### **Customer Service (Promotes Customer Satisfaction)**

Ensures internal and/or external customers receive the level of service that builds their trust and confidence, even in difficult or complex situations. Develops and implements plans to meet customer needs and expectations, removes barriers to delivering customer service and support, and takes the initiative to improve processes based on customer feedback. Maintains a client focus, establishes rapport with customers, and takes action to ensure their satisfaction.

**Communication (Targets Communication)**

Conveys information to others clearly and respectfully. Tailors the amount, style, and content of messages to the needs of the audience and handles and resolves questions and contrary opinions in a positive and constructive manner. Employs active listening techniques to show others that their opinions are valued and provides feedback that is comprehensive and actionable. Prepares documents and presentations that are cogent, accurate, and well organized.

**Organizational Awareness (Promotes Organizational Awareness) (Not for selection)**

Acts to support the agency's mission and function, clarifying and promoting the value and importance of agency programs, policies, procedures, rules, and regulations to work activities. Takes a broad business perspective by integrating approaches and solutions to support and achieve NARA's mission and goals. Identifies and analyzes the potential impact of external factors (for example, updates to best practices, changes in legislation) on the agency's business, customers, and work products.

**General Competencies****Embraces Continual Learning**

Seeks opportunities to expand knowledge and skills through formal and informal education, training, and feedback. Identifies and leverages own strengths and developmental needs and strives to improve own skills. Acquires new knowledge related to business, professional, and technological changes and developments. Demonstrates and supports continual learning, and shares knowledge and expertise with others.

**Utilizes Computer Technology**

Utilizes computer technology and software applications (e.g., word processing, spreadsheets, databases, web-based tools) to perform work activities. Applies technologies and/or tools to improve work, productivity, or customer service.

**Technical Competencies****Conducts Archival Processing**

Performs archival processing, demonstrating knowledge required to appraise, transfer, review, arrange, describe, preserve, and establish/maintain physical and intellectual control of archival holdings. This requires applying knowledge of the laws, regulations, and governing authorities affecting access to records (e.g., the Presidential Records Act, the Freedom of Information Act).

**Manages Record Life Cycle**

Demonstrates and communicates knowledge and understanding of the record lifecycle, including the interrelationship of each stage of the lifecycle. Participates in and/or leads the development and implementation of life cycle management programs, policies, procedures, appraisals, schedules, training, audits, and outreach initiatives. Provides technical assistance and support to others within the agency and other Federal agencies on records creation, maintenance, and disposition in all media and formats. This may include issues related to access and security. Maintains currency in changes in technology and research needs as well as new methods for managing Federal records in all media and formats.

**Performs Reference Services**

Provides reference services using knowledge of records and their context. Communicates with stakeholders (e.g., researchers) to determine their areas of interest. Conducts preliminary research and analysis for the purposes of reference. Makes recommendations based on findings, conclusions, resources (e.g., cost, time), organizational goals, and customer goals.

**Provides Electronic Records Services (Not for selection)**

Demonstrates, maintains, and communicates knowledge of born-electronic records. This includes knowledge of the creation, transfer, maintenance, usage, and processing of born-electronic records. Provides technical guidance and expertise on these electronic records and the development of systems to manage them. Maintains currency in changes in technology, research needs, and new methods for managing electronic records.

**Performs Declassification Activities (Not for selection)**

Demonstrates, maintains, and communicates knowledge and understanding of the declassification review process, including related laws and regulations governing this process. Processes and works with agencies to declassify holdings and prepares documentation to track declassification actions. Evaluates security-classified documents and materials and applies judgment to make appropriate access determinations. Provides expertise and guidance to other NARA units on security and access issues.

**Applies Knowledge of Information Technology (Not for selection)**

Demonstrates expertise in information technology applicable to digitization, reformatting, metadata development, digital asset management systems, and archival electronic descriptive systems (e.g., ARC, EAD, ERA/EOP). Provides recommendations for selection of software, hardware, and data delivery systems.

**Applies Knowledge of American History and Government**

Demonstrates expertise in American history and principles of American government. Demonstrates expertise on cultural, political, and economic history as well as topics of contemporary interest.
