

NARA Competency Model

LP - Office Of Presidential Libraries

Exhibits Specialist GS-09

Note: Competencies noted as "Not for selection" were rated as important to the job, but not required on entry and thus not to be used for screening candidates.

Core Competencies

Problem Solving (Thinks Creatively)

Determines the critical issues, gathers and analyzes information from multiple sources, and targets the root cause of problems. Generates creative solutions based on a consideration of their impact and implications. Develops and implements new ideas and ways of thinking to promote efficiency, effectiveness, and productivity.

Interpersonal Skills (Builds Relationships)

Develops and maintains professional, trusting, positive working relationships with others at all levels internal and external to the organization. Initiates communication and partnerships across boundaries, working effectively with diverse teams to drive collective results and advance organizational priorities. Fosters relationships where collaboration is considered the standard and individuals are encouraged to share diverse views and perspectives.

Execution and Results (Achieves Results)

Plans and organizes time to work productively and efficiently and maximize the quality and quantity of work. Ensures individual priorities and goals are aligned with team, manager, and agency plans and needs, and increases or redirects efforts in the face of challenging obstacles, changing priorities, or increasing demands. Seeks out and utilizes resources, tools, and information to ensure the accomplishment of expected results.

Customer Service (Promotes Customer Satisfaction)

Ensures internal and/or external customers receive the level of service that builds their trust and confidence, even in difficult or complex situations. Develops and implements plans to meet customer needs and expectations, removes barriers to delivering customer service and support, and takes the initiative to improve processes based on customer feedback. Maintains a client focus, establishes rapport with customers, and takes action to ensure their satisfaction.

Communication (Targets Communication)

Conveys information to others clearly and respectfully. Tailors the amount, style, and content of messages to the needs of the audience and handles and resolves questions and contrary opinions in a positive and constructive manner. Employs active listening techniques to show others that their opinions are valued and provides feedback that is comprehensive and actionable. Prepares documents and presentations that are cogent, accurate, and well organized.

Organizational Awareness (Promotes Organizational Awareness)

Acts to support the agency's mission and function, clarifying and promoting the value and importance of agency programs, policies, procedures, rules, and regulations to work activities. Takes a broad business perspective by integrating approaches and solutions to support and achieve NARA's mission and goals. Identifies and analyzes the potential impact of external factors (for example, updates to best practices, changes in legislation) on the agency's business, customers, and work products.

General Competencies

Embraces Continual Learning

Seeks opportunities to expand knowledge and skills through formal and informal education, training, and feedback. Identifies and leverages own strengths and developmental needs and strives to improve own skills. Acquires new knowledge related to business, professional, and technological changes and developments. Demonstrates and supports continual learning, and shares knowledge and expertise with others.

Utilizes Computer Technology

Utilizes computer technology and software applications (e.g., word processing, spreadsheets, databases, web-based tools) to perform work activities. Applies technologies and/or tools to improve work, productivity, or customer service.

Technical Competencies

Applies Knowledge of American History and Government

Demonstrates expertise in American history and principles of American government. Demonstrates expertise on cultural, political, and economic history as well as topics of contemporary interest.

Designs, Fabricates, and/or Maintains Displays and Exhibits

Performs or oversees the design, fabrication, production, installation, lighting, and/or maintenance of displays and exhibits. Develops displays and exhibits to support themes and reach target audiences. Assists with, performs, or coordinates the installation, de-installation, care, and/or security of permanent, temporary, and/or traveling exhibits. Creates method and material specifications that reflect an understanding of agency conservation, security and other infrastructure requirements.

Manages Electronic Media Equipment

Oversees or manages the operation of electronic media or interactive components of an exhibit and/or museum.

Develops Graphic Designs and Displays (Not for selection)

Creates or oversees the creation of printed, non-print, and electronic/online visual products (e.g., logos, stationery, administrative forms and certificates, invitations and programs, audiovisual presentations, signs, and/or websites), including layout, design, illustration, and photography, using graphic design and display principles, methods, techniques, and tools. Considers the audience to be reached, the purpose of the project, methods of distribution, costs, and agency policies.
