

# NARA Competency Model

LX - Exhibits Division

Visual Information Specialist GS-11

*Note: Competencies noted as "Not for selection" were rated as important to the job, but not required on entry and thus not to be used for screening candidates.*

## Core Competencies

### **Problem Solving (Thinks Creatively)**

Determines the critical issues, gathers and analyzes information from multiple sources, and targets the root cause of problems. Generates creative solutions based on a consideration of their impact and implications. Develops and implements new ideas and ways of thinking to promote efficiency, effectiveness, and productivity.

### **Interpersonal Skills (Builds Relationships)**

Develops and maintains professional, trusting, positive working relationships with others at all levels internal and external to the organization. Initiates communication and partnerships across boundaries, working effectively with diverse teams to drive collective results and advance organizational priorities. Fosters relationships where collaboration is considered the standard and individuals are encouraged to share diverse views and perspectives.

### **Execution and Results (Achieves Results)**

Plans and organizes time to work productively and efficiently and maximize the quality and quantity of work. Ensures individual priorities and goals are aligned with team, manager, and agency plans and needs, and increases or redirects efforts in the face of challenging obstacles, changing priorities, or increasing demands. Seeks out and utilizes resources, tools, and information to ensure the accomplishment of expected results.

### **Customer Service (Promotes Customer Satisfaction)**

Ensures internal and/or external customers receive the level of service that builds their trust and confidence, even in difficult or complex situations. Develops and implements plans to meet customer needs and expectations, removes barriers to delivering customer service and support, and takes the initiative to improve processes based on customer feedback. Maintains a client focus, establishes rapport with customers, and takes action to ensure their satisfaction.

**Communication (Targets Communication)**

Conveys information to others clearly and respectfully. Tailors the amount, style, and content of messages to the needs of the audience and handles and resolves questions and contrary opinions in a positive and constructive manner. Employs active listening techniques to show others that their opinions are valued and provides feedback that is comprehensive and actionable. Prepares documents and presentations that are cogent, accurate, and well organized.

**Organizational Awareness (Promotes Organizational Awareness)**

Acts to support the agency's mission and function, clarifying and promoting the value and importance of agency programs, policies, procedures, rules, and regulations to work activities. Takes a broad business perspective by integrating approaches and solutions to support and achieve NARA's mission and goals. Identifies and analyzes the potential impact of external factors (for example, updates to best practices, changes in legislation) on the agency's business, customers, and work products.

**General Competencies****Leads Teams**

Leads teams of diverse individuals that can work collaboratively to achieve business objectives, openly communicates, discusses, and works through team objectives, and promotes shared accountability for individual and team performance. Promotes coordination and teamwork, leverages team members' strengths and weaknesses, and takes steps to optimize team performance. Celebrates team successes, evaluates setbacks, and implements processes and approaches to continually improve performance and results.

**Manages Projects**

Achieves desired outcomes on projects, on time, and within budget. Designs and plans the project, defines the project workflow, and manages the project team. Controls and provides project deliverables, optimizes the contribution of the people involved, and makes decisions and assesses the impact of those decisions on quality, productivity, schedules, cost, performance, etc. Evaluates and reports progress against goals and milestones.

**Embraces Continual Learning**

Seeks opportunities to expand knowledge and skills through formal and informal education, training, and feedback. Identifies and leverages own strengths and developmental needs and strives to improve own skills. Acquires new knowledge related to business, professional, and technological changes and developments. Demonstrates and supports continual learning, and shares knowledge and expertise with others.

**Utilizes Computer Technology**

Utilizes computer technology and software applications (e.g., word processing, spreadsheets, databases, web-based tools) to perform work activities. Applies technologies and/or tools to improve work, productivity, or customer service.

**Manages Contracts**

Monitors contracts with vendors, including conducting market research, defining work needed, soliciting and evaluating proposals, making recommendations for vendor selection, finalizing the terms of the contract, and initiating contract revisions to meet changing program requirements. Monitors contractor activities, manages related budgets and financial requirements, and ensures that contract requirements are met and all activities through closeout are performed in compliance with contract terms.

**Technical Competencies****Maintains Knowledge of Archival Principles**

Maintains knowledge and understanding of legal, ethical, policy, standards, and best practices for archival accessioning, appraisal, preservation, description online (e.g., in ARC-like systems), arrangement, holdings maintenance, security, reference services, copy services, and online services.

**Designs, Fabricates, and/or Maintains Displays and Exhibits**

Performs or oversees the design, fabrication, production, installation, lighting, and/or maintenance of displays and exhibits. Develops displays and exhibits to support themes and reach target audiences. Assists with, performs, or coordinates the installation, de-installation, care, and/or security of permanent, temporary, and/or traveling exhibits. Creates method and material specifications that reflect an understanding of agency conservation, security and other infrastructure requirements.

**Designs Publicity and Marketing Materials**

Performs or oversees the development, creation, and coordination of graphics, ads, online components, and print media for the agency. Works independently and in partnership with other agency offices to reach media outlets in advertisement opportunities. Reviews and/or evaluates the effectiveness of materials and methodologies and revises them to achieve goals.

**Manages Electronic Media Equipment**

Oversees or manages the operation of electronic media or interactive components of an exhibit and/or museum.

**Develops Graphic Designs and Displays**

Creates or oversees the creation of printed, non-print, and electronic/online visual products (e.g., logos, stationery, administrative forms and certificates, invitations and programs, audiovisual presentations, signs, and/or websites), including layout, design, illustration, and photography, using graphic design and display principles, methods, techniques, and tools. Considers the audience to be reached, the purpose of the project, methods of distribution, costs, and agency policies.

**Budget Administration**

Knowledge of the principles and practices of budget administration and analysis. This includes preparing, formulating, justifying, reporting on, managing, and executing the budget. Also includes understanding the relationships among program, budget, accounting, and reporting systems.
