

NARA Communication Tools for Researchers

General Information

Researcher Forum Web Page

Provides upcoming Researcher Forum meeting schedules, notes from previous meetings, and updated information concerning the transformation of the Robert M. Warner Research Center at Archives I. <http://www.archives.gov/dc-metro/researcher-forum/>

NARAtions Blog

A place we hope to talk with you about topics relating to the National Archives. For research-related blog posts, see the “DC-Area Researchers” channel listed in the right sidebar. <http://blogs.archives.gov/online-public-access/?cat=62>

Research at the US National Archives on Facebook

The official Facebook page for research at the National Archives. <http://www.facebook.com/researchatusnationalarchives>

Warner Research Center Project Information

PowerPoint Presentation on the Reconfiguration of the Warner Research Center

Provides general information about the transformation of the Robert M. Warner Research Center via a loop scrolling on a monitor in the Research Center in Archives I and the lobby of Archives II.

Weekly Update on the Research Center Transformation Project

A flyer that documents weekly construction activity in the Robert M. Warner Research Center in the National Archives Building. It is both posted on the Researcher Forum web page and printed out and placed in the Research Center at Archives I and in the lobby of Archives II.

E-mail Blasts

If you wish to receive an e-mail alerting researchers to new information as it's posted, you may request this service by sending a message to research@nara.gov, with the word “subscribe” in the subject line.
