01 09 13 10:21:01 <WADSFO2> ATO CHANGE REQUEST: REPLACE VFA-201 WITH 301st FW AT
NAS FORT WORTH. THEY CAN SUSTAIN 4 F-16 ON 15M FOR UP TO 2 WEEKS. WE WOULD
LIKE TO KEEP VFA-201 ON RP1 FOR A F-18. ADDITIONALLY, BUCKLEY HAS REQUESTED
THAT THEIR LINE REFLACT 8 AIRCRAFT. THAT'S WHAT IT REQUIRES TO MAN BOTH OF
THEIR CAPS - DENVER AND COLORADO SPRINGS. rmh
01 09 13 10:22:20 <CONR_CCO> copy your message. I'll have some people look at it

and get back to you - hike

01 09 13 10.24:00 <CONR_CCO> WADS, can you elaborate on reason why VFA 201 is having difficulty keeping 4 jets on status?

01 09 13 10.28.29 <CONR_CCO> WADS - Will call you for more info about Carswell (VFA 201) Regarding the second issue - Buckley is to keep 4 on status. Only one cap required, at Denver.

01 09 13 10 29:15 <CONR_CCO> Cap at CO Springs is not required, CONR DO sends. Highly unlikely that Cheyenne mtn could be threatened by an airborne threat.

01 09 13 10.30:04 *** Join: WADSDO (do @ 204.36.174.73)

01 09 13 10.30:42 *** Join: CONR_CEDO (CONR_CEDO @ 204.20.68.94)

01 09 13 10:30:56 <WADSFO2> VF-201 CAN ONLY MAINTAIN 2 PILOTS ON STATUS 24/7.

01 09 13 10.31.20 <WADSFO2> COPY BUCKLEY REQUIREMENT OF ONLY DENVER CAP - WILL PASS.

01 09 13 10.32:18 <CONR_CCO> Copy that If VF 201 is unable to meet ATO tasking then CONR DO will direct an ATO change and task the 301 FW. Understand that airborne CAPS will almost certainly be eliminated today, and only ground alert will remain.

< WADSFO2 > ATO CHANGE REQUEST: REPLACE VFA-201 WITH 301st FW AT NAS FORT WORTH
  THEY CAN SUSTAIN 4 F-16 ON 15M FOR UP TO 2 WEEKS. WE WOULD LIKE TO KEEP
  VFA-201 ON RP1 FOR A F-18. ADDITIONALLY, BUCKLEY HAS REQUESTED THAT THEIR
  LINE REFLACT 8 AIRCRAFT. THAT'S WHAT IT REQUIRES TO MAN BOTH OF THEIR CAPS -
  DENVER AND COLORADO SPRINGS. rmh
<CONR_CCO> copy your message. I'll have some people look at it and get back to
  you - hike
<CONR_CCO> WADS, can you elaborate on reason why VFA 201 is having difficulty
  keeping 4 jets on status?
< CONR_CCO> WADS - Will call you for more info about Carswell (VFA 201).
  Regarding the second issue - Buckley is to keep 4 on status. Only one cap
  required. at Denver.
< CONR_CCO> Cap at CO Springs is not required. CONR DO sends. Highly unlikely
  that Cheyenne mtn could be threatened by an airborne threat.
*** Join WADSDO (do@204.36.174.73)
*** Join CONR_CEDO (CONR_CEDO.@204.20.68.94)
<WADSFO2> VF-201 CAN ONLY MAINTAIN 2 PILOTS ON STATUS 24/7.
< WADSFO2> COPY BUCKLEY REQUIREMENT OF ONLY DENVER CAP - WILL PASS.
<CONR_CCO> Copy that. If VF 201 is unable to meet ATO tasking. then CONR DO
  will direct an ATO change and task the 301 FW. Understand that airborne
  CAPS will almost certainly be eliminated today, and only ground alert will

remain

-CONR_DCO- Copy submission...did you provide coordinates as well? Once we find
    out what's approved, we should do an ATO change to add info for our pilots
    information How about tanker and E-3 CAPs? ·scu

- NEADS-FO · CONR_DCO We are reviewing new ATO (14 Sep) posted on NORAD web site -
    have question regarding para. B1.3 which refers to continuing 24 Hour
    fighter caps over major cities. We thought we were transitioning to caps in
    NE over NYC and Wash D.C. only. Please advise
- CONR_DCO · NEADS: ATO is correct That is the plan here for now. Decision to
    go from 15 caps to 2 caps will be made by 1600Z this afternoon...plan on
    keeping 15 caps until told otherwise!! scu
- NEADS-FO · NEADS copies. thanks.

-CONR_DCO- WADS Copy TX track landed at grass strip and LEA notified.//scu

·<WADSFO2 · TX aircraft (Citabria) landed on grass strip at N3136 W09720.
   Intercept a c overhead. Law enforcement notified and responding.
· CONR_DCO · Did F-18s intercept prior to landing or were they still in tail
   chase? scu
· WADSFO2 · Did intercept
<CONR_AC2O · NEADS ACWO-- Need your GMR need beddown plan as soon as practical.
   rld
· CONR_DC<> Copy scu looks like we're going to be busy today as traffic starts
   flying again...maybe we'll get some news that will reinforce our public that
   we are defended and that pilots need to file flight plans and squawk
   appropriately so they don't pop up as unknown. scu
