to directing the JCS to act; he would prefer they take these actions on their own initiative.) Actions under consideration are:

The actions DOD is contemplating are in the right direction, although we believe they should go further (i.e. [redacted] Moreover, for the following reasons we believe that now is the appropriate time to take such actions:

-- Some preliminary steps [redacted] [redacted] have already been taken. Therefore, accomplishment of the additional actions now being considered could be viewed as a natural follow-on to what has already been started.

We are staying in close contact with appropriate officials in DOD as they consider the [redacted]

[redacted] Should we perceive any change in
their present course, we will, of course, inform you at
once. In the meantime, we are preparing, along with EUR,
our own evaluation and recommendations on this problem
and hope to forward this paper to you later this week.

* I have told George that you
do not necessarily share
the views expressed, and that
State should take no position
until PM and EUR have come
to you for a decision.
