

Notes While Reading Chron

1-16-87

- 85 17 - Israel clearly doesn't have any great intelligence on Iran. Yet Kunche comes ahead. Why do we pay attention.
- 18 - What does St Dept say about Iran? What possibilities?
- 20 - Did RR know of Kerot tube?
- artificial stuff about Iran falling apart did not come true.

(Nick - Pakistan, Iran, U.S, China -- all join to oppose Afghanistan - SU effort. Why don't we use that channel? or Hogue + Iran? (geopolitical forces).)

- I am getting the feeling we are the victims of our document requests. Too much CIA + NSC. Where is the St. Dept. paper on Iran?

II-13
11-25-85

- Roidexter is in the deeper than Reagan thought in early stages. Didn't just inherit it.

- Pres. apt of JP is fundamentally flawed. Not right background. Choosing people is the most important job for someone in h. Mgt, especially if he is a delegate.
