MEMORANDUM FOR

THE VICE PRESIDENT  
THE SECRETARY OF STATE

SUBJECT: The Carter Transformation  
of our Strategic Doctrine

The President asked me to share the enclosed memorandum with you, especially since there is likely to be some public discussion of our current strategic doctrine. In the last three and one-half years, the President has taken a series of steps that add up to a major revision of our strategic doctrine, the third such major revision since World War II. The Administration should obtain more public credit for this than it has so far. (S)
