E - What was the initiative?

Do conclusions deal with facts?

Je draft NSDD

E - underlying temptation in all this?

C - If just opening, none of usual steps taken.

E - had strong policy against. If were to change, would have sent waves through bureaucracy.

F - quickly became arms for hostages
- process didn't work

- no expert brought in with Lt, Def, CIA,

etc.

July 85

E - McF. Issue of auth by GS to head
"probe" GS - too indifferent
commitment

Aug 100 TONS 7 hostages
Pres - Aug replenishment - is ok.

E - Ghorba - always arms initiative. 3 lines
agree why? - arms.

Facade of opening.

T - was whole crowd, always. All of Iran. Not
just "moderates" - pragmatists.

E - TWA 847 - - - Key link. Public. 5 didn't
come free.

Geostategic opening?

(became informal, secret, non-urgent, no challenge)
get 5 back NSD - Kinging
McF, Tinker, Filler, Tinker

absent mtg, other intelligence briefing -
NSA on feedback on information

N - Allen means as key - King should have lots of contacts. Work using

SSB - 82, 84, US - word from contact Higley
SS - changed - "influence"

E - more give back the free argument very convincing. No NSA should have strong formal info. No one asked for

T - we got replacement team
McF - due to movement Aug NSP

T - free not fully linked on implications of going operational - TAS not done. Most done a few details

- E - 17 - there was no explicit decision
T - every is more valuable than anyone
T - Dec 23 letter -- did R. meet?

8 -
- did not receive contact, knowledge not
- contact - appear info. May later change perspective

Heart - Break into + press

Handball - Fri 11:00
