85 Wagner College business presidential books Jeffries trading desk
April 91 1st office w/ straight to FCI for almost 1 yr.

E.O. 13526, section 1.4(c)

/ Yugoslavians

*

squad => FCI media center

Started working Sudanese stuff turned into terrorism squad

'95 pulled in Clowen / Coleman / Anticev => go to Langley to start

UBL Dan volunteered

E.O. 13526, section 1.4(c)

natural fit for UBL because 3 guys

265 case w/ subfiles early deep Dan focal point in on wade's et huge

planch agency hands tied FBI only tool in the box to fight terrorism

endgame was in dictation pre-9/11 working w/ ALEC SONY

Adpts not calling shots distracted a little by TWA 800

assigned junior => handler when 1st had in NJ

24/7 detail in guy got home military bring family in bring in brother

& others Squad a bunch watching him when Fall walks in

witness =>

E.O. 13526, section 1.4(c)

=> Germany be identified (Danny)

Frank / one AUSA => charge him with # from AQ

worked closely w/ agency in plan

E.O. 13526, section 1.4(c)

Attended some mtgs

post 9/11 agency no longer interested tool in the box

administration back then kept hands tied clean solution

post 98 Abu Hays picked up Germany returned

squad splits Tanton / Kenyon of UBL squad stay UBL squad

22 in EA bombing superseding indictments healthy relationship

arguing but got job done

July '01 - going to do same thing w/ another guy

pending leads through Alac Station got pictures etc. from Khartoum
the UBL squad was it Cole originally in the squad

E.O. 13526, section 1.4(c)

Looking for human sources - need civ

E.O. 13526, section 1.4(c)

E.O. 13526, section 1.4(c)

had 199 parallel case =>

*

* [redacted] no real well issues talking about well

it was understood that something big coming but no discussion where
more a hedges thing about possible attacks

some good analogs Dina Corsi

*

Relating what's on plate now other people in jail now didn't have
resources to have think tank have trial dates plans of ideas => practice

colleagues?

means to pick up UBL in summer 2001 knew where UBL was

he's indicated plans to pick up at higher level Jack or Denny practicing
w/ special ops groups

SAC O'Neill decide whether should be NVFO job or hedges job

squad not involved in process Dick Clarke used to come here O'Neill talk to him
had access to NSC mety Clarke D'Amico (ASAC) O'Neill Cloud / Praticar

CIA rep [redacted] => generally not UBL

occasionally talk to [redacted]

from ground people who read traffic not June 11

Sept. 11 => sitting at desk bldg shook see tower burning in phone wife

seeing 2nd tower got people to trade center van outside tried to stop

car traffic from 3 bldg

ASAC Ken Maxwell trying to respond mety spot set up Church of Jesus

never made it because 1st tower nextels down as no communication

pitch black get w/in couple of blocks see release hear glass falling

"this is stupid" word got around to go to garage

E.O. 13526, section 1.4(c)

get to the garage covering leads looked up w/ pet Fitzgerald week later went to
 interview wali klan covering leads maintaining office space at 290 Broadway
 passport fell to street before tower fell self directed
 rather quickly heights - w/m short time NY out of loop photographs
 got video back up to Fakh Ali Mohammed Joe Downman (Kerketeher)

E.O. 13526, section 1.4(c)

out + KharAm => Substances started to converge access to AQ people

cut out of loops so badly don't know if can't get back into game

"always got the job done" connected all the dots indicated pre 9/11 bombing

lack of higher management to defend organization

lack of access to detainees is FBI issue not NYFD
