## Recommendations

- (1) Threshold of baseline security was not as high as it could or should have
- (2) Cockpit security.
- (3) Intell slaying in Post Pan Am - Bureau like Doh Watson, Frasca, Salabe; Rollins - allowed him that kind of latitude to argue with superiors

### ④ Diplomatic Security

domestic government was a huge problem. DOS, FBI, etc.

Just inside the Bureau - correct the dots ->

- Increase Intel Assets.
- training! Experience!

Tempo of training to buy young people up.

cost/benefit on Boeingha; mythical scenario.

Build from Ground up.
