PG T-2, who has furnished reliable information in the past, advised on November 8, 1968, that General David Carmon, Military Attache, Israeli Embassy, Washington, D. C., is a key contact of David Lowenthal. PG T-2 emphasized that General Carmon has been a leading personality in the Israeli Intelligence Service for several years.

ISRAEL

On June 5, 1968, PG T-3, a source with whom contact has been insufficient to judge his reliability at this time but who is a businessman in a position to furnish information concerning the activities of Lowenthal, advised that David L. Lowenthal, a long-time personal friend of Dr. Zalman Mordecai Shapiro, is President of Raychord Corporation, which is located immediately adjacent to the (NUMEC) plant at Apollo, Pa. This source pointed out that (Raychord Corporation) a steel fabricating company, occupied the same building at Apollo, Pa., with (NUMEC) prior to the time (NUMEC) moved to its new location on the outskirts of Apollo. This source also advised that Lowenthal is also an officer of (Apollo Industries) whose mailing address is Pittsburgh, Pa., and this company was instrumental in establishing (NUMEC) through investing a substantial amount of money in (NUMEC) stock when the (NUMEC) company was formed. This source also pointed out that Lowenthal and (Shapiro) lived near each other, both residing (on Bartlett Street,) Pittsburgh, Pa.

PG T-3 also advised that David Lowenthal is closely associated with high-ranking officials of the Israeli Government and recently he observed photographs of Lowenthal with David Ben-Gurion and Moishe Dayan in Israel. This source reported that Lowenthal allegedly fought for Israel as a freedom fighter in 1956, and he pointed out that Lowenthal travels to Israel on an average of once a month.

~~SECRET~~

~~SECRET~~

DAVID LUZER LOWENTHAL

PG T-3 said he is not aware of the purpose of these trips to Israel, and whether or not Lowenthal is accompanied by anyone.

PG T-3 pointed out that one of Lowenthal's employees advised recently that Lowenthal receives regular reports on Israeli activities; including military activities:

PG T-3 advised on July 3, 1968, that on or about July 2, 1968, Lowenthal left Pittsburgh en route to Europe and Israel and would be out of the country for at least one week.

PG T-3 advised on January 13, 1969, that Lowenthal went to New York City on January 12, 1969, en route to Israel, where he is expected to remain for several days. The purpose of said trip was unknown to PG T-3.

On June 10, 1968, PG T-4, who has furnished reliable information in the past, advised that David Lowenthal is Chairman and Chief Executive Officer of Raychord Corporation, Post Office Box 307, Apollo, Pa. According to this source, Raychord Corporation is a fabricator of structural steel and manufacturer of roof decking, which was founded in 1962. As of 1968, PG T-4 advised, Raychord was a company in debt from losses sustained in previous years but an effort was being made to clear up this condition. Some of this indebtedness, according to PG T-4, is through Apollo Industries, Inc., from which company loans and advances in excess of two million dollars have been obtained. PG T-4 also pointed out that Apollo Industries is the owner of 45 per cent of Raychord stock.

PG T-4 also related that Lowenthal is chief operating officer of the Raychord company and was formerly employed as Vice President of the Columbus Pipe and Equipment Co., Columbus, Ohio. After leaving Columbus, PG T-4 advised, Lowenthal acquired the Apollo Steel Company plant at Apollo, Pa., and was an officer in that firm prior to the time it merged with Raychord. PG T-4 also advised that Lowenthal

PG T-4 added that Lowenthal was born in 1921, is married, and is believed to have served in the U. S. Armed Forces during World War II.

IPA
On June 24, 1968, PG T-3 advised that news reports which Lowenthal receives regarding Israeli activities are mailed to him from New York City. PG T-3 advised that Lowenthal, in all probability, received the data regarding Israeli activities from the United Jewish Appeal (UJA), an agency with which he is very active. PG T-3 said he has not been able to substantiate whether or not Lowenthal fought in Israel for that country in 1956.

PG T-5, who has furnished reliable information in the past, advised on December 26, 1963, that David Lowenthal

In March, 1962, [redacted] a former member of the Communist Party of Western Pennsylvania, who regularly furnished information to the FBI from 1943 to April, 1953, advised that the name of Rabbi [redacted] was maintained at Communist Party Headquarters at Pittsburgh at one time. [redacted] did not know the significance of this information.

The April 4, 1958, issue of the "Pittsburgh Press," daily Pittsburgh newspaper, contained an article which, in part, stated that Rabbi Solomon B. Freehof, Rodef Shalom Temple, was one of the members of the Pittsburgh Branch of the National Committee for a Sane Nuclear Policy. Characterization of the National Committee for a Sane Nuclear Policy appears in the Appendix hereto.

On October 31, 1968, PG T-10 advised that Lowenthal attempted to get in touch with (Dr. Zalman Mordecai Shapiro at Shapiro's home). (Shapiro) was not available at the time and the reason for this contact was unknown to PG T-10.

CITIZENS COMMITTEE FOR CONSTITUTIONAL LIBERTIES
(NEW YORK CITY)

The "Guide to Subversive Organizations and Publications," prepared and released by the Committee on Un-American Activities, U. S. House of Representatives, Washington, D. C., under date of December 1, 1961, sets forth the following concerning the above organization on page 42:

1. "On the basis of its investigations and hearings to date, the committee concludes that the National Assembly for Democratic Rights and a coordinating and organizing group in support thereof, titled the 'Citizens Committee for Constitutional Liberties,' are Communist fronts. Created, dominated, and controlled by members and officials of the Communist Party, the National Assembly for Democratic Rights and the Citizens Committee for Constitutional Liberties were organized as propaganda devices for the conduct of 'mass activity' in support of the avowed objective of 'reversal or nonapplication' of the Supreme Court decisions of June 5, 1961, which upheld the constitutionality of the registration and disclosure provisions of the Internal Security Act of 1950 as applied to the Communist Party and the Smith Act membership clause making punishable active and purposive membership in the Communist Party."

"* * * The long-range objective of the Citizens Committee for Constitutional Liberties is to serve as the vehicle for concealed Communist participation in, and direction of, propaganda and agitational activities aimed to nullify the Internal Security and Smith Acts."

"* * * Committee investigation disclosed that the Citizens Committee for Constitutional Liberties was formed on or about June 12, 1961 * * *."
(Committee on Un-American Activities, Report and Hearings on Manipulation of Public Opinion by Organizations Under Concealed Control of the Communist Party (National Assembly for Democratic Rights and Citizens Committee for Constitutional Liberties), House Report 1282, Part 1, October 2 and 3, 1961, pp. 137, 143 and 144.)

NATIONAL COMMITTEE FOR A SANE NUCLEAR POLICY

A source advised on May 1, 1959, that Trevor Thomas, Executive Secretary of the National Committee for a Sane Nuclear Policy, stated that he was well aware that the Communist Party (CP) favored many of the purposes of his committee. Thomas was reported to have stated that the National Committee would object to any attempt by the CP to take over the National Committee or any of its local groups; however, he would have no objection to any individual communist, be he a Party member or not, if he came in to work for the Committee on an individual basis. Thomas stated they would fight any organized effort by the CP to take over any of its groups.

Re my letter dated 1/16/69,

In connection with subject's friendship with Dr. ZALMAN MORDECAI SHAPIRO, (Bufile 117-2564; PGfile 97-123), and his alleged close association with Israeli officials, it is believed that additional sources regarding subject should be checked.

Subject resides with his family at 5721 Bartlett Street, Pittsburgh, which neighborhood is made up of older large homes, some of which have been converted into Hebrew schools and temples. Subject's home is a large 3-story brick and frame house with a separate garage. Frequent spot checks of the area have failed to produce any information regarding automobiles owned by LOWENTHAL. Bureau of Motor Vehicles records, Harrisburg, Pa., checked in the name of the subject and members of his family, and under the names of the companies with which he is affiliated have not been productive.

It is believed a review of toll telephone records regarding [redacted] value in [redacted] may produce information of [redacted]

Bureau is requested to authorize this office to obtain records of toll calls from [redacted] as well as the phone number [redacted]

Re Bureau letter to Pittsburgh dated 3/19/69, entitled, "Dr. ZALMAN MORDECAI SHAPIRO, IS - ISRAEL; ATOMIC ENERGY ACT," (BUDED 4/15/69).

In the case entitled, "IRVING FRANCIS LEVITT, aka: Irv., CSC; AEA-A," Bufile 116-450244 (PG File 116-36735), information contained therein pertains to person referred to in reBulet and enclosure from CIA.

It is noted information contained in Pittsburgh LHM dated 1/16/69, entitled, "DAVID LUZER LOWENTHAL, IS-ISRAEL," that PG T-4 (Dun and Bradstreet (D&B) records) indicated (on page six, paragraph two, line two) that IRVIN F. LEVITT, who was treasurer of Raychord, was born in Pittsburgh in 1915. On page nine of same LHM, LEVITT's first name was set out with the same spelling as that obtained from D&B records inadvertently omitting the last letter "G" in his first name.

It is noted LEVITT, on his PSQ completed in 1962 in connection with AEA-A investigation indicated he was born 7/3/15 at Braddock, Pa., a town near Pittsburgh. LEVITT at time of AEA-A matter, was member of Board of Directors of NUMEC, SHAPIRO's company. He was also Chairman of Board of Directors of Apollo Industries at that time; Apollo Industries helped with the financing of NUMEC as a corporation.

LEVITT's further connection with LOWENTHAL, who is Chief Executive Officer, Raychord, includes the fact that LEVITT was Treasurer of Raychord; LOWENTHAL and LEVITT, according to D&B records were also, in 1954 and 1955, associated with the Mt. Vernon (Ohio) Bridge Company, LEVITT as a Director.

It is apparent from above, the LEVITT mentioned in 1/16/69 LHM is identical with IRVING FRANCIS LEVITT, subject of BUFILE 116-450244.

Bureau is requested to furnish information regarding LEVITT contained in Bureau files so this office may prepare for dissemination and LHM setting out all pertinent information regarding LEVITT.

With regard to CIA's inquiry concerning Apollo Industries' connection with establishment of NUMEC through the purchase of NUMEC stock, it is pointed out additional records of D&B regarding the formation of NUMEC are being sought by this office. These records, if obtained, should supply pertinent information regarding its financial transactions and the Bureau will be furnished same.

Lowenthal, a Pittsburgh resident, has come to the attention of this Bureau as a result of his contacts with Dr. Zalman Mordecai Shapiro, President of the Nuclear Materials and Equipment Corporation (NUMEC), Apollo, Pa., also a Pittsburgh resident. Shapiro is being investigated at the request of the Attorney General of the United States to determine his relationship with the Government of Israel (C)

Lowenthal is the Chief Executive of Raychord Corporation, Apollo, Pa., and Irving Francis Levitt was Treasurer of Raychord as of 1965.

An Atomic Energy Act-applicant investigation conducted by the FBI in 1962 regarding Irving Francis Levitt at Pittsburgh, Pa., and other locations produced information that Levitt, as a member of the Board of Directors of NUMEC, Apollo, Pa., would have access to restricted materials and areas, NUMEC, of which Dr. Shapiro was and is President, is a company engaged in the manufacture and processing of various nuclear materials. (C)

In connection with the investigation of Levitt in 1962, Shapiro was interviewed and he advised a CSC investigator that he had known Levitt several years as a stockholder in Apollo Industries, Inc., which held a portion of NUMEC stock. Shapiro commented favorably regarding Levitt's character, loyalty and associates.

Investigation produced the information that Levitt was born July 13, 1915 at nearby Braddock, Pa., the son of Charles and Fanny Levitt, who were both born in Russia. His father was naturalized a United States citizen at Pittsburgh, Pa., April 13, 1921.

Investigation in 1962 produced the information that Levitt obtained a Bachelor of Arts Degree in Journalism from the University of Michigan, Ann Arbor, Michigan, in 1936.

After college, Levitt worked at the family-owned *LEVITT* furniture store with his father and brother, George, at nearby Vandergrift, Pa. He also engaged in various real estate and financial dealings thereafter in Pittsburgh and vicinity.

According to some business associates, Levitt was known as a sharp businessman who would drive a hard bargain to further his own business interests. No information of a substantial nature was obtained which would reflect unfavorably on Levitt's loyalty to this country.

Current Pittsburgh Telephone Directory lists Irving Francis Levitt was a resident of Gateway Towers, an apartment-office building, located in Gateway Center and Downtown Pittsburgh, and his office is also listed as being in the same building. 1968 Pittsburgh City Directory reflects that Levitt, resident of Apartment 16C, Gateway Towers, is Chairman of the Board of Directors of Apollo Industries, Inc.

Shapiro is also a resident of Pittsburgh and a close neighbor of Lowenthal. Re Bureau letter to Pittsburgh 7/28/69.

Recent developments in the case entitled "Doctor ZALMAN MORDECAI SHAPIRO, IS-ISRAEL; AEA" (PG 97-123), and (Bufile 117-2564), Origin: Pittsburgh, wherein SHAPIRO was interviewed by the AEC and he denied any wrongdoing indicates that the matter concerning SHAPIRO is being brought to a logical conclusion.

This matter was an outgrowth of the SHAPIRO case. LOWENTHAL, according to the only source who had knowledge of his activities continues to make his trips to Israel. No information has been received from other reliable sources that SHAPIRO has had any recent contacts with LOWENTHAL.

[redacted] (protect-reliable), who [redacted] LOWENTHAL at Raychord, advised on 7/1/69, that Raychord, Apollo, Pa., of which LOWENTHAL is the Chief Operating Officer, has discontinued steel fabrication operations and Raychord for all practical purposes is out of business. [redacted] left Raychord when it became apparent Raychord was discontinuing operations.

[redacted] (protect-reliable), advised on 8/5/69, that he has learned that Apollo Industries, the main holding company for Raychord and other firms, has been buying and selling small manufacturing concerns in the area in the recent past. [redacted] said Apollo Industries apparently is buying small companies with surplus cash and after using the money lets the company expire or sells it at a loss for tax purposes.

Although LOWENTHAL is apparently pro-Israel in his activities it does not appear he is engaged in any activities which are within the jurisdiction of this Bureau. The main source of information regarding SHAPIRO's activities has been

discontinued and information regarding his contacts with LOWENTHAL as well as information regarding LOWENTHAL's activities regarding Israel will be extremely hard to obtain without the use of sophisticated techniques which are not available at this time. It is not believed the activities of LOWENTHAL warrant the use of such techniques.

It is realized LOWENTHAL's pro-Israel attitude makes his activities questionable, however, there does not appear to be sufficient information available without the utilization of additional sources to warrant further investigation of this matter. Inasmuch as all logical leads in this case have been covered, UACB this case is being closed.

Reurairtel 4/30/75.

Letterhead memorandum enclosed with re airtel is not being disseminated at this time pending results of your discussion with United States Attorney (USA) Richard L. Thornburgh, Pittsburgh.

From a review of LHM enclosed with re airtel, it would appear that this might be a matter that could be resolved, without involving the FBI in an investigation of perjury, between parties involved through subpoenaing subject into court and confronting him with the conflicting evidence which exists between the testimony in his sworn deposition and the facts revealed by a review of the stock transfer records. It would appear that a determination could then be made by the USA's Office whether Lowenthal's personal testimony in court cleared up the conflicting evidence or whether perjurious testimony was given by Lowenthal and, if prosecutable, whether the USA may desire to proceed on the evidence at hand. It also appears possible that this may be an attempt by Attorney [redacted] to have the FBI become involved in this matter for the benefit of [redacted] and his client.

It is suggested that Pittsburgh contact USA Thornburgh and discuss the above observations with
