His Excellency the said John Adams President of the said United States, in his Answer to the Yards of Philadelphia says - my amiable young Friends before the Birth of the eldest of you I was called to act with your Fathers in concerting Measures the most disagreeable and dangerous, not from a Desire of Innovation, not from Discontent with the Government under which we were bred and born, but to preserve the Honor of our Country and vindicate the immemorial Liberty of our Ancestors; in pursuit of these Measures it became, not an Object of Prediction and Choice, but of indispensable Necessity to assert our Independence. Truey. Does not a Confession like this (meaning the aforesaid Expressions of the said John Adams) afford just Cause of Suspicion that John Adams (His Excellency the said John Adams meaning) like Benedict Arnold is about to betray or sell us (meaning the People of the said United States) to Britain, and should a premature Discovery or the Obstinacy of Democrats, prevent the Accomplishment of such a laudable Design (meaning a Design to betray or sell the said People) as it did with Arnold (the said Benedict Arnold meaning) may we not expect to hear that Adams like Benedict had found an Asylum on Board the Vulture or some other Sloop of War? Or in Case we (meaning the said People) are subjugated and once more made an Olfondage to the British Monarchy, ought not Arnold (the said Benedict Arnold again meaning) as he was prior to Adams (the said John Adams meaning) in making a Recantation and Declaration that Independence (the Independence of the said United States meaning) was not his Object, hold the first Office under His Britannic Majesty over these once rebellious now honest and dutiful Colonies in Content and Shen Violation
