### Analyze a Map

**Meet the map.**
- Does the map have a title?

**Observe its parts.**
- Does the map include? Circle all that apply.
- Are symbols or colors used in the legend? If so, what do they stand for?
- What place or places are on the map?

**What does the map show? Circle all that apply.**
- Mountains
- Rivers
- Lakes
- Oceans
- Cities
- States
- Countries
- Roads
- Other

**Try to make sense of it.**
- When was the map drawn?
- Why do you think this map was made? List two parts of the map that tell you this.
- How does it compare to a current map of the same place?

**Use it as historical evidence.**
- Where do you think we could find out more information about the place or places shown on the map?
