Mark - the COV I sent you is all that we got for unofficial packages for Michigan. We also received a letter from MI House of Rep. Rendon et al. to the AOTUS with the Governor CC'd. No other packages.

Katerina,

I had one quick follow-up question here. You mentioned receiving unofficial Certificates of Votes from the Republican electors in Michigan. Did you also receive an unofficial Certificate of Ascertainment from them or anyone else for Michigan?

Thanks, Mark

Good afternoon, Jonathan and Mark -

For your awareness, we received today unofficial certificates from the Republican electors who were not appointed by the Governor. I've attached a scan of what we received for your information.

Because this did not come from the Michigan Secretary of State's office, we will not be adding the documents to the Electoral College website.

Thank you,

Katerina
