Michael,

I don't have that image at home, but I will send it to you first thing when I get back to the office in the morning.

Hi Ray.

I had a good meeting with the Archivist this morning regarding the women's history exhibit.

I mentioned the image of the 1913 march side-by-side with the 2017 march. He liked the idea.

Could you send me an electronic copy of it so that I can forward it to him?

Thanks,

Michael
