Dear Mr. Eggleston:

In accordance with the requirements of the Presidential Records Act (PRA), as amended, 44 U.S.C. §§2201-2207, this letter constitutes a formal notice from the National Archives and Records Administration (NARA) to the incumbent President of our intent to open Bush Vice Presidential records in response to the Freedom of Information Act (FOIA) requests listed in Attachment A.

This material, consisting of 442 pages, has been reviewed for all applicable FOIA exemptions, resulting in a total of 8 pages restricted. NARA is proposing to open the remaining 434 pages that do not require closure under 44 U.S.C. § 2204. A copy of any records proposed for release under this notice will be provided to you upon your request.

Pursuant to 44 U.S.C. 2208(a), NARA will release the records 60 working days from the date of this letter, which is April 8, 2016, unless the former or incumbent President requests a one-time extension of an additional 30 working days or the incumbent President asserts a constitutionally based privilege, in accordance with 44 U.S.C. 2208(b)-(d). Please let us know if you are able to complete your review before the expiration of the 60 working day period. Pursuant to 44 U.S.C. 2208(a)(1)(B), we will make this notice available to the public on the NARA website.
If you have any questions relating to this request, please contact me at (202) 357-5144 or NARA General Counsel Gary M. Stern at (301) 837-3026.

Sincerely,

B. JOHN LASTER
DIRECTOR
Presidential Materials Division

Enclosure
This researcher submitted a Freedom of Information Act (FOIA) request for records related to Jack Kemp from the Chief of Staff and the Counsellor’s Office. The Bush Vice Presidential records proposed for opening are articles, remarks, talking points, correspondence, and forms. The articles, remarks, and talking points primarily concern Jack Kemp’s bid for the presidency in 1988. The correspondence consists of letters concerning issues such as CREED (Christian Rescue Effort for the Emancipation of Dissidents) and visits Vice President Bush made to New York, and the forms are routine in nature and serve to direct correspondence to various staff members.
