The Honorable Donald F. McGahn, II  
Counsel to the President  
The White House  
Washington, D.C. 20502

Dear Mr. McGahn:

In accordance with the requirements of the Presidential Records Act (PRA), as amended, 44 U.S.C. §§2201-2209, this letter constitutes a formal notice from the National Archives and Records Administration (NARA) to the incumbent President of our intent to open George W. Bush Presidential records in response to the Freedom of Information Act (FOIA) request listed in Attachment A.

This material, consisting of 125 pages of textual records, 2,763 electronic assets that total 19,438 pages, 522 Microsoft Excel spreadsheets, and eight Microsoft Access databases, have been reviewed for the six PRA Presidential restrictive categories, including confidential communications requesting or submitting advice (P5) and material related to appointments to federal office (P2), as they were eased by President George W. Bush on November 15, 2010. These pages were also reviewed for all applicable FOIA exemptions. As a result of this review, NARA has restricted 47 pages of textual records, 1,907 electronic assets that total 12,962 pages, 392 Microsoft Excel spreadsheets, and eight Microsoft Access databases. NARA is proposing to open the remaining 57 pages of textual records, 558 electronic assets that total 5,657 pages, and 130 Microsoft Excel spreadsheets in whole along with 21 page of textual records and 298 electronic assets that total 819 pages in part.

We are concurrently informing former President George W. Bush's representative, William Burck, of our intent to release these records. Pursuant to 44 U.S.C. 2208(a)(3)(A), NARA would normally release these records 60 working days from the date of this letter, which is June 5, 2017, unless the former or incumbent President requests a one-time extension of an additional 30 working days. However, pursuant to 44 U.S.C. 2208(a)(3)(C), which extends the 60-day period for the first six months after the incumbent President first takes office, NARA will release these records on July 20, 2017 unless the former and incumbent President authorizes NARA to release these records earlier or asserts a constitutionally based privilege, in accordance with 44 U.S.C.

2208(b)-(d). Please let us know if you are able to complete your review before July 20, 2017. Pursuant to 44 U.S.C. 2208(a)(1)(B), we will make this notice available to the public on the NARA website.

If you have any questions relating to this notification, please contact me at (202) 357-5144 or NARA General Counsel Gary M. Stern at (301) 837-3026.

Sincerely,

B. JOHN LASTER
