This material, consisting of 55 photographs and 33 metadata files, has been reviewed for the six PRA Presidential restrictive categories and all applicable FOIA exemptions. As a result of this review, no photographs or metadata files have been restricted. Therefore, NARA is proposing to open the remaining 55 photographs and 33 metadata files that do not require closure under 44 U.S.C. § 2204. A copy of any records proposed for release under this notice will be provided to you upon your request.

We are also concurrently informing former Vice President Cheney's representative, David Addington, and former President George W. Bush's representative, Tobi Young, of our intent to release these records. Pursuant to 44 U.S.C. 2208(a), NARA will release the records 60 working days from the date of this letter, which is September 1, 2017, unless the former President, former Vice President, or incumbent President requests a one-time extension of an additional 30 working days or if the former or incumbent President asserts a constitutionally based privilege, in accordance with 44 U.S.C. 2208(b)-(d). Please let us know if you are able to complete your review before the expiration of the 60 working day period. Pursuant to 44 U.S.C. 2208(a)(1)(B), we will make this notice available to the public on the NARA website.
