The Honorable W. Neil Eggleston
Counsel to the President
The White House
Washington, D.C. 20502

Dear Mr. Eggleston:

In accordance with the requirements of the Presidential Records Act (PRA), as amended, 44 U.S.C. §§2201-2209, this letter constitutes a formal notice from the National Archives and Records Administration (NARA) to the incumbent President of our intent to open Quayle Vice Presidential records in response to the Mandatory Declassification Review (MDR) requests listed in Attachment A.

This material, consisting of 15 pages, was previously restricted from release under 5 U.S.C. §552(b)(1). In accordance with sections 3.4 and 3.5 of Executive Order 13526, archivists at the George Bush Library returned copies of these documents to the originating and/or equity agencies for a classification review. These documents have subsequently been declassified in whole or in part by those agencies. Because these records do not require closure under any applicable FOIA exemptions, NARA is proposing to open six pages in whole and nine pages in part.

We are also concurrently informing former President George H.W. Bush's representative, James W. Cicconi, and former Vice President Quayle's representative, John Howard, of our intent to release these records. Pursuant to 44 U.S.C. 2208(a), NARA will release the records 60 working days from the date of this letter, which is November 17, 2015, unless the former or incumbent President requests a one-time extension of an additional 30 working days or asserts a constitutionally based privilege, in accordance with 44 U.S.C. 2208(b)-(d). Please let us know if you are able to complete your review before the expiration of the 60 working day period. Pursuant to 44 U.S.C. 2208(a)(1)(B), we will make this notice available to the public on the NARA website.

If you have any questions relating to this request, please contact me at (202) 357-5144 or NARA General Counsel Gary M. Stern at (301) 837-3026.

Sincerely,

A handwritten signature in blue ink that reads "B. John Laster". The signature is written in a cursive style with a large, stylized initial "B".
