The Honorable Charles E. Grassley, Chairman
The Honorable Dianne Feinstein, Ranking Member
Committee on the Judiciary
United States Senate
Washington, DC 20510

Dear Chairman Grassley and Ranking Member Feinstein:

This letter is in further response to your August 3, 2018, letter to David S. Ferriero, Archivist of the United States, requesting Office of Independent Counsel Kenneth W. Starr (Starr OIC) records concerning Judge Brett M. Kavanaugh, who served as an Associate Counsel in the Office of Independent Counsel Kenneth W. Starr from September 6, 1994, until November 20, 1997, and again from April 27, 1998, until December 1, 1998. You requested the following records:

- (1) Documents from Brett M. Kavanaugh's service as Associate Counsel in the Office of Independent Counsel, including all documents preserved in his staff files and all documents he authored in whole or in part, edited, revised, or approved;
- (2) All memos, letters, or electronic mail sent by or received by Brett M. Kavanaugh during his tenure in the Office of Independent Counsel, including any such memos, letters, or electronic mail on which he was a carbon copy or blind carbon copy recipient, and including any documents attached to such memos, letters, or electronic mail.

In my initial response letter of August 9, 2018, I noted that NARA had already begun to process for public release Starr OIC records that we could identify related to Judge Kavanaugh. Some of those records were from records that we had previously opened to the public in response to prior FOIA requests over the past decade. We included those documents that we had identified in our first production to the Committee.

In recently reviewing some of these previously opened OIC records, we have identified additional previously opened records related to Judge Kavanaugh that were not specifically provided to the Committee. These records come from three boxes, numbers 2291-93, identified as "Hickman Ewing/Attorney Work Files/Foster." Accordingly, we have now scanned the entirety of the publicly releasable records from these three boxes, which include records not related to Judge Kavanaugh, and are providing them to the Committee in the enclosed discs. We will also be posting these records on our website on Monday, September 24, 2018.
