I'm resending the package without the mailing material to get the attachment under GA's acceptable limit.

If you also want to see the memorandum and envelopes, let me know.

Good afternoon,

Just before Christmas, we received the GA certificates from the Republican electors who were not appointed by the Governor.

I've attached a scan of what we received for your information.

Because this did not come from the GA Secretary of State's office, we will not be adding the documents to the Electoral College website.
