
All of the territory of the Yosemite National Park outside of the blue lines, Congressman Bannister's bill provides, shall be taken out of the Yosemite National Park.

Townships 3 & 4 South Range 19 East and the west 1/2 of Townships 3 and 4 South Range 20 East are recommended by Secretary of the Interior Noble in his Annual Report for 1891 to be eliminated from the Boundaries of the Yosemite National Park To accommodate farmers and miners located in that region
