

ISOO Notice 2024-03: Changes to ISOO Liaison Program

June 26, 2024

The ISOO liaison program was established to facilitate ongoing communication between the ISOO program analysts and the points of contact of federal departments and agencies. ISOO has maintained this program to manage agency inquiries regarding policy concerns and clarifications regarding Executive Order 13526 and its implementing directive.

In anticipation of upcoming national policy changes, staff workloads, and to increase efficiencies, ISOO has revamped its liaison program to meet growing and changing agency needs.

We have created a new way for agency POCs to submit inquiries and request guidance regarding Classified National Security Information (CNSI) and its regulations and policies, via a liaison program email mailbox. All requests will be answered by the liaison team and assigned by area of expertise.

This will be the program plan until further notice.

Effective immediately, agency POCs should direct all inquiries regarding E.O. 13526 and its implementing directive to: isooliaison@nara.gov.

Please note only agency POC inquiries will receive a response via this mailbox. All other inquiries should continue to be sent to isoo@nara.gov.

Direct any questions regarding this ISOO Notice to: isoo@nara.gov

WILLIAM P. FISCHER
Acting Director
