

ISAIAH “IKE” RIVERS

**ASTRANIS SPACE
TECHNOLOGIES**

**NISPPAC INDUSTRY
SPOKESPERSON**

- Chief Security Officer at Astranis Space Technologies based out of San Francisco, CA. He has over 21 years of Security experience supporting the DoD and Intelligence Community Industrial Security Programs and 20 years of Military Leadership in support of the DOW and Intelligence Community Industrial Security Programs; Retired Air Force SNCO of 20 Years of Active Service. 41 years of total service supporting government and industry.
- Mr. Rivers oversees a very robust security program and team supporting Astranis Security Program. He implements and oversees all aspects of Astranis Industrial Security to include Special Access Programs, Personnel Security, Physical Security, Classified Information System Security, and Procedural/Program Security for the DOW and Intelligence Community. Coordinating with Astranis Executive Leadership Team, Mr. Rivers implements Astranis strategy to assess and mitigate risk, manage crises and incidents, maintain continuity of operations and safeguarding of the organization. He also serves as Astranis Insider Threat Program Senior Official, Risk Manager, and a member of the Operations Forum, which is responsible for overall company's operations, including oversight of security.
- In his security roles, he has been a champion for government/industry partnership. As NISPPAC Industry Spokesperson, he along with the other NISPPAC Industry Members advises the Chair of the Committee of the Information Security Oversight Office on all matters concerning the policies of the National Industrial Security Program (NISP), including recommending changes to those policies as reflected in the NISP, its implementing directives, or the operating manual established under the NISP, and serves as a forum to discuss policy issues in dispute. He also serves on the Board of Directors for the FFRDC Security Council, ISWG Seminar Working Group, NCMS Insider Threat Working Group, and AIA/NDIA Security Conference Working Groups.
- Mr. Rivers is a graduate of the Wharton University of Pennsylvania ASIS Program for Security Executives.
